ORDER

New Delhi, the 5th February, 1992

S.O. 593.—In exercise of the powers conferred by sub-  
section (1) of Section 5, read with section 6, of the Delhi  
Special Police Establishment Act, 1946 (Act No. 25 of 1946)  
the Central Government, with the consent of the State Gov-  
ernment of Jammu and Kashmir, hereby extends the powers  
and jurisdiction of the members of the Delhi Special Police  
Establishment to the whole of the State of Jammu and  
Kashmir for investigation of offences as hereunder:—

(a) Offences punishable under Section 3 and 4 of the  
Terrorist and Disruptive Activities (Prevention) Act  
1987 (Act No. 28 of 1987), Section 3 and 5 of

Explosive Substances Act 1908 (Act No. 6 of 1908). Section 302, 307, 120-B, 436, 427 of Ranbir Penal Code relating to the explosion in the office of the Director General of Police, Jammu and Kashmir, as registered vide FIR 10/92 dated 24th January, 1992 under Section 307, 120-B, 436, 427 RPC r/w 3/4 TADA and 3/5 Explosive Substances Act at Police Station Shaheed Ganj, District Srinagar.

- (b) Attempts, abetments and conspiracies in relation to or in connection with the said offence or any other offence committed in the course of the same transaction arising out of the same facts.

New Delhi, the 26th December, 1991

(INCOME-TAX)

S.O. 595.—In exercise of the powers conferred by clause (23) of Section 10 of the Income-tax Act, 1961 (43 of 1961),

the Central Government hereby notifies the "Himalayan Rally Association, Bombay" for the purpose of the said clause for the assessment years 1991-92 to 1993-94 subject to the following conditions, namely:—

- (i) the assessee will apply its income, or accumulate it for application, in consonance with the provisions of sub-section (2) and (3) of section 11 as modified by the said clause (23) for such accumulation, wholly and exclusively to the objects for which it is established;
- (ii) the assessee will not invest or deposit its funds (other than voluntary contributions, received and maintained in the form of jewellery, furniture, or any other article as may be notified by the Board under the third proviso to the aforesaid clause (23) for any period during the previous year(s) relevant to the assessment year(s) mentioned above otherwise than in any one or more of the forms or modes specified in sub-section (5) of section 11;
- (iii) the assessee will not distribute any part of income in any manner to its members except as grants to any association or institution affiliated to it; and
- (iv) this notification will not apply in relation to any income, being profits and gains of business, unless the business is incidental to the attainment of the objectives of the assessee and separate books of accounts are maintained in respect of such business.

नई दिल्ली, 31 जनवरी, 1992

का. आ. 606:—यतः बैंकारी विनियमन अधिनियम, 1949 की धारा 45 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए तथा उसके अनुसार केन्द्रीय सरकार ने बैंक आफ बिहार लि., पटना के भारतीय स्टेट बैंक के साथ विलय के लिए 5 नवम्बर, 1969 को एक योजना संजूर की थी।

यतः, उक्त योजना के खण्ड 6 के उपखण्ड (9) के अधीन भारतीय स्टेट बैंक द्वारा बैंक आफ बिहार लिमिटेड की परिसंपत्तियों का अंतिम रूप से मूल्यांकन अपेक्षित था, जोकि नियत तारीख से बारह वर्षों की समाप्ति के पश्चात् नियत तारीख की अनन्तिम रूप से मूल्यांकित कर लिया गया है।

यतः, भारतीय स्टेट बैंक ने यह अभ्यावेदन किया है कि बड़ी संख्या में परिसंपत्तियाँ अन्नगस्त होने और बैंक के प्रयासों के बावजूद अधिकांश मदों की बमूलियाँ अभी बाकी होने के कारण बैंक, विलय योजना के खण्ड 6 के उपखण्ड (9) में विनिर्दिष्ट समय के भीतर परिसंपत्तियों का अंतिम रूप से मूल्यांकन करने में असमर्थ रहा है।

और यतः, केन्द्रीय सरकार, भारतीय रिजर्व बैंक के परामर्श करने पर इस बात से संतुष्ट है कि विलय योजना

को लागू करने में कठिनाई पैदा हो गई है और उतना समय बढ़ाकर जितने में परिसंपत्तियों का अंतिम रूप से मूल्यांकन अपेक्षित है, उक्त कठिनाई को दूर करना जरूरी है।

यतः, अवर बैंक आफ बिहार लिमिटेड, पटना का भारतीय स्टेट बैंक के साथ विलय की 5 नवम्बर, 1969 की विलय योजना के खण्ड 20 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, केन्द्रीय सरकार एतद्वारा निवेदन देती है कि भारतीय स्टेट बैंक, भारतीय रिजर्व बैंक के परामर्श से तथा उसके अनुमोदन से बैंक आफ बिहार लिमिटेड का उन परिसंपत्तियों का, जिनकी वसूली और मूल्यांकन नहीं हुआ है, नियत तारीख से तेईस वर्षों की अवधि के भीतर मूल्यांकन करेगा।

[संख्या 17/2/83-बी. ग्रो. III]

के. के. मंगल, अवर सचिव

New Delhi, the 31st January, 1992

S.O. 606.—Whereas on 5th November, 1969, a scheme of amalgamation of the Bank of Behar Ltd. Patna, with the State Bank of India was sanctioned by the Central Government in exercise of the powers conferred by and in accordance with Section 45 of the Banking Regulation Act, 1949.

Whereas under sub-clause (ix) of clause 6 of the said Scheme, the State Bank of India was required to make a final valuation of the assets of the Bank of Behar Ltd. which have been provisionally valued on the prescribed date, on the expiry of twelve years from the prescribed date;

Whereas the State Bank of India has represented that in view of large number of assets involved and the recovery of most of the items yet to be realised inspite of its efforts, it has not been able to make the final valuation within the time specified in sub-clause (ix) of clause 6 of the scheme of amalgamation;

And, whereas, the Central Government after consultation with the Reserve Bank of India, is satisfied that a difficulty has arisen in giving effect to the scheme of amalgamation which it is necessary to remove by extending the time within which the final valuation of assets is required to be made;

Now, therefore, in exercise of the powers conferred by clause 20 of the scheme of amalgamation dated 5th November, 1969 of the Bank of Behar Ltd., Patna, with the State Bank of India, the Central Government hereby directs that the State Bank of India shall, in consultation with and with the approval of the Reserve Bank of India, value the assets of the Bank of Behar Ltd., Patna, which have not been realised and valued, within a period of twenty three years from the prescribed date.

एन. श्रीनिवासन, अपर महानिदेशक

New Delhi, the 3rd January, 1992

S. O. 613 :—In pursuance of sub-regulation (5) of regulation 4 of the Bureau of Indian Standards (Certification) Regulations, 1988, the Bureau of Indian Standards, hereby notifies the grant of licences particulars of which are given in the following schedule.

## SCHEDULE

List of Licences granted during the Month of March 1991

Sl. No.	CM/L- No.	Operative Date	Name & Address of the Party	Article/Process	IS : No./Part
(1)	(2)	(3)	(4)	(5)	(6)
1.	2210021	91-03-16	Sheela Foam Pvt. Ltd. Plot No. 37/2, Site IV, Sahibabad. Distt. Ghaziabad (UP).	Flexible Polyurethane Foam for Domestic Mattresses	IS 07933 : 75
2.	2210122	91-03-16	Sri Phanindra Industries Jukudi Post  Ibrahimpattanam Mandal Mylavaram taluk Krishna Distt.	Concrete Pipes of : NP2 Class : Sizes upto 1000mm (Except 250 MM) NP3 Class : Sizes 450, 600, 1000 and 1200 MM.	IS 00458 : 88

(1)	(2)	(3)	(4)	(5)	(6)
3.	2210223	91-03-16	Modern Agriculture Implements Inds., 2, Indl. Area, Munija Road, Barnagar-456771	Safety Requirements for Power Threshers, Spike-Teeth Cylinder type of rating 5 HP (3.7 KW) Only.	IS 09020 : 79
4.	2210324	91-03-01	Kanha Vanaspati Ltd. Village Gathona Post Ujhani, Distt. Badayun (UP).	Vanaspati	IS 10633 : 86
5.	2210425	91-03-16	Bentex Motor Control Gears Ind. Ustries B-65, Gate No. 2 Narayana Indl. Area, Phase-II, New Delhi-110028.	Motor Starters, Direct-on- Line 8 Amp with Overhead Relay Range	IS 08544 : 77 (Part I)
6.	2210526	91-03-16	Aman Electric Works 1/4683, Balbir Nagar Extn. Shahdara, Delhi-110032.	Single-Phase Small AC Electric Motors, 106W, 230 V, Capacitor Start and run (Fan Duty) 4-Pole with Class E Insulation	IS 00996 : 79
7.	2210627	91-03-16	K.S. Products WZ-346, Naraina Village, New Delhi-110028.	Propeller Type AC Ventilating Fans of 450 MM, Size 230 Volts, with Class E Insulation.	IS 02312 : 67
8.	2210728	91-03-16	K.S. Products WZ-346, Naraina Village, New Delhi-110028.	Single Phase AC Motors with Class E insulation of (i) 105 W 230 V Capacitor Start & Run (Fan Duty) (ii) 11W, 230 Volts Shaded Pole (FD)	IS 00996 : 79
9.	2210829	91-03-16	Sagar Industries Jawahar Nagar, G.T. Road, Near Mathura Chungi, Palwal.	Water Meters (Domestic Type) of Nominal size 15 MM, Wet Dial, Type A Inferential	IS 00779 : 78
10.	2210930	91-03-16	Sree Ganesh Paper Industries A-5 Unit Salem Co.-Op. Ind. Estate, Udayapatti, Salem-636140	Type 3, Grade I, Self- Finished Bitumen Felt for Water Proofing.	IS 01322 : 82
11.	2211023	91-03-16	Heating Devices Control 24, Okhla Indl. Estate, New Delhi-110020.	Thermostats for use with Elector IC Water Heaters.	IS 03017 : 85
12.	2211124	91-03-16	C. Lal Electricals & Mechan- icals 1-2, Indl. Estate, Ambala City.	Domestic Electric Food Mixer with Grinder & Liquefizer	IS 04250 : 80
13.	2211225	91-03-16	Trisure India Ltd. L.V. Gadkari Marg, Mahul, Bombay-400074	Screwed Closures for Drums NDM Size 20MM & 50MM	IS 01784 : 84

(1)	(2)	(3)	(4)	(5)	(6)
14.	2211326	91-03-16	Shalimar Electronic Industries Anjali Udyog Bhavan Unit No. 24/25, Plot No. 6 & 20 S.R. No. 31 to 34, Navghar Vasai East, Distt. Thane.	Switch Socket Combine of 5A 250V Flush Type, Porcelain Base E, Non Interlocking, Non-Shutter ED Type for use in AC Non-Inductive Circuits only.	IS 04615 : 68
15.	2211427	91-03-16	Metal Moulders, 26, Indl. Extn. Area, Phase I Gangyal, Jammu-180010	Copper Alloy Gate Valve, Class I Sizes 15 to 50 MM Screwed Ends.	IS 00778 : 84
16.	2211528	91-03-16	Mohan Metal Inds. 178/2A, Bhola Nath Nagar, Shahdara, Delhi-110032.	Aluminium Alloy Butt Hinges	IS 00205 : 78
17.	2211629	91-03-16	Columbia Petrochem Pvt. Ltd. Plot No. J-14, Taloja, MIDC, Distt. Raigad (MS).	New Insulating Oils	IS 00335 : 83
18.	2211730	91-03-16	Fabwell Engineers C-9/9-A, Ghatkopar Indl. Estate. L.B. Shastri Marg, Ghatkopar (W), Bombay-400086.	Horizontal Cylindrical High Speed Steam Sterilizers, Pressure Type with Working Pressure of 2.2 KGF/CM Sq	IS 03829 : 78 Part-2
19.	2211831	91-03-16	Star Valves C-24, Indl. Focal Point, P.B. No. 491 Jalandhar-144004.	Copper Alloy Gate Valves Class I Screwed Ends of Size 15 MM to 50 MM	IS 00778 : 84
20.	2211932	91-03-16	Hindustan Chemicals & Polymers, Village Kundli G.T. Road, Distt. Sonapat. (Haryana).	Paraffin Wax Type 3	IS 04654 : 74
21.	2212025	91-03-16	Zenith Industries 1316, Avanashi Road, Peelamedu Coimbatore-641004.	Single Phase, Small AC Motors of Rating 0.37 KW Capacitor Start & Run with Class E Insulation	IS 00996 : 79
22.	2212126	91-03-16	Tropical Agro Systems Ltd. 530/2-B, Vangaram Road, Athipet, Ambattur Madras-600058.	Fenvalerate, 20% (M/M) EC Formulation	IS 11997 : 87
23.	2212227	91-03-16	The Orissa State Co-op. Milk Producers Fed. Ltd., Cattle Feed Plant Radha Damodar Pur Via Athagarh Distt. Cuttack (Orissa).	Compounded Cattle Feed for Type 2 only	IS 02052 : 79

1	2	3	4	5	6
24. 2212328	91-03-16	Sree Manjunatha Pulverisers Pvt. Ltd., No. 62, Indl. Suburb Yeshwanthpur Bangalore-560 022.	Monocrotophos, 36% M/M SL Formulation	IS 08074 : 83	
25. 2212429	91-03-16	The Scientific Fertilizers Co. Ltd., Survey No. 81, Hootagelly Village Yelwal Road, Belvadi Post Mysore-571186	Endosulfan, 35% (M/M) EC Formulation	IS 04323 : 80	
26. 2212530	91-03-16	Shiva Glass Works Co. Ltd. 128, B.T. Road, Calcutta-700035.	Glass Milk Bottles of 500 ml. Capacity only.	IS 01392 : 83	
27. 2212631	91-03-16	OM Industries 332, Categorised Market Bhopal-462001	Safety Requirements for Power Threshers, Spike Tooth Cylinder Type of Rating 5 HP (3.7 KW).	IS 09020 : 79	
28. 2212732	91-03-16	Aero Agro Chemical Industries Pvt. Ltd., 31, Thakurpukur North East Road, PO Badu Distt. 24-Parganas (North)	2,4-D Sodium Salt Technical	IS 01488 : 85	
29. 2212833	91-03-16	Agricultural Machinery & Implements Corpn., Opp. Ganj Bazar, Vis Nagar, Distt. Mehsana-384315	General & Safety Requirements for Power Threshers, Spiked. Tooth Type of 20HP (14.70 Kw) Rating, 720 P.PM	IS 09020 : 79	
30. 2212934	91-03-16	Jindal Iron & Steel Co. Ltd., B-6, Tarapur Indl. Area, Navapur Road, Boisar (MS)-401506	Cast Billet Ingots for Rolling Into Structural Steel (Standard Quality)	IS 06914 : 78	
31. 2213027	91-03-16	Groupco Pumps Industries PO Alipore. Vansda Road Tal-Chikhli Distt. Valsad (Gujarat)	Submersible Pump Sets FCR Clear, Cold Fresh Water, Type G P 6l, Size 152x75 mm Motor 3.7 KW	IS 08034 : 89	
32. 2213128	91-03-16	Rungta Perolling Mills Village Dewada G.E. Road, Distt. Rajnandgaon (MP)	HSD Steel Bars of Grade Fe 415 Sizes 8 to 28 MM	IS 01786 : 85	
33. 2213229	91-04-01	DE-OIL Refineries D-88 To 93 Indl. Estate Aligarh (UP)	Paraffin Wax, Type 3	IS 04654 : 74	

1	2	3	4	5	6
34. 2213330	91-04-01	Manwani Steels Pvt. Ltd. German Tara Complex Sector I Peethampur Distt. Dhar (MP).	High Strength Deformed Steel Bars, Grade Fe 415, Size 10 MM Only	IS 01786 : 85	
35. 2213431	91-04-01	Vikrant Ropes Pvt. Ltd. G.E. Road Tadesara Distt. Rajnandgaon.	Steel Wire Ropes for General Engineering Purposes, Type Round, Core-Fibre & Steel, Tensile Designation 1570 & 1770, Sizes from 6 MM Dia to 42 MM Dia only	IS 02266 : 89	
36. 2213532	91-04-01	Modi Rubber Ltd. Modipuram Distt. Meerut (UP) 250110	Pneumatic Tyres for Truck, Bus & Light Truck, Diagonal Ply.	IS 10914 : 88 (Part 2)	
37. 2213633	91-04-01	Higlow Industries C-210, Sector X Noida, Distt. Ghaziabad	Domestic Gas Stove for use with LPG, CRC Sheet Ni/Cr Plated Body with Cast Iron Double Burn ERS	IS 04246 : 84	
38. 2213734	91-04-01	Everkeen Blade Co. Ltd. Plot No. A-1, MIDC Industrial Area, Chikalthana Aurangabad (MS).	Stainless Steel Razor Blades, Medium Grade.	IS 07371 : 82	
39. 2213835	91-04-01	Vora Components & Containers Pvt. Ltd., 9-B, Govt. Indl. Estate Kandivli (W), Bombay-400067	Domestic Gas Stove for Use with LPG with Double Burners, Stainless Steel Body, Conventional Design with Cast Iron Base and Brass Cap Burners.	IS 04246 : 84	
40. 2213936	91-04-01	E.N. Shanti Engg. Works No. 1, Iyer Hospital Road, Singanallur Coimbatore- 64005	Submersible Pumps Model ENRO4, 50 MM Size, Motor Rating 3.7 KW with Class B Insulation Three Phase	IS 08034 : 89	
41. 2214029	91-04-01	Lotus Deluge Systems Pvt. Ltd., Kalyani Indl. Estate, Ashok Nagar, Bangalore-560050	Portable Carbon-Dioxide Type Fire Extinguishers of 2 Kgs and 4.5 Kgs. Capacity.	IS 02878 : 86	
42. 2214130	91-04-01	Kashyap Brothers 14, Shailesh Park, P.O. Polytechnic, Near Agrawal Hall, Dr. Radhakishan Road, Ahmedabad-379015.	Refills for Portable Fire Extinguishers, Soda Acid Type, 9 Ltrs. Capacity.	IS 05490 : 77	
43. 2214231	91-04-01	Gulab Chand Chhotey Lal Free Ganj Agra-282004.	Sand Cast Iron Spigot and Socket Soil, Waste and Ventilating Pipes, Fittings & Accessories.	IS 01729 : 79

## पेट्रोलियम और प्राकृतिक गैस मंत्रालय

नई दिल्ली, 6 फरवरी, 1992

क्र. मा. 624.—केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में आवश्यक है कि गुजरात राज्य में कांडला से पंजाब राज्य में भटिंडा तक राजस्थान और हरियाणा से होकर पेट्रोलियम के परिवहन के लिए इंडियन गैस कार्पोरेशन लिमिटेड द्वारा पाइपलाइन बिछाई जाए :

और ऐसा प्रतीत होता है कि उक्त पाइपलाइन बिछाने के प्रयोजनों के लिए इस अधिसूचना से उपाखण्ड अनुसूची में वर्णित भूमि के उपयोग के अधिकार का अर्जन करना आवश्यक है ;

अतः केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रवृत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है।

उक्त अनुसूची में वर्णित भूमि में कितना कोई व्यक्ति, राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साक्षारण जनता को उपलब्ध करा दिए जाने की तारीख से 21 दिन के भीतर, उनमें उपयोग के अधिकार का अर्जन या भूमि में पाइप लाइन बिछाने के संबंध में आपत्ति लिखित रूप में श्री एच. पी. कौशिक, तहसीलवार और सक्षम प्राधिकारी, इंडियन गैस कार्पोरेशन लिमिटेड, कांडला - भटिंडा पाइपलाइन परियोजना, 1158, सैक्टर 13, अर्बन स्टेट, करनाल (हरियाणा) को कर सकेगा।

## MINISTRY OF PETROLEUM AND NATURAL GAS

New Delhi, the 6th February, 1992

S.O. 624.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Kandla in the State of Gujarat to Bhatinda in the State of Punjab, via. Rajasthan and Haryana, pipeline(s) should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline(s) it is necessary to acquire the right of user in the land described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

Any person interested in the land described in the said schedule may within 21 days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein or laying of the pipeline under the land to Shri R. P. Kaushik, Tehsildar and Competent Authority, Indian Oil Corporation, Ltd. Kandla-Bhatinda Pipeline Project, 1158, Section-13, Urban Estate, Karnal, Haryana.

[संख्या आर.-31015/1/92-ओ. आर-1]

कुलदीप सिंह, अवर सचिव

New Delhi, the 6th February, 1992

S.O. 625.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Kandla in the State of Gujarat to Bhatinda in the State of Punjab, via Rajasthan and Haryana, pipeline(s) should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline(s) it is necessary to acquire the right of user in the land described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals

Pipelines (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

Any person interested in the land described in the said schedule may within 21 days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein or laying of the pipeline under the land to Shri R. P. Kaushik, Tehsildar and Competent Authority, Indian Oil Corporation, Ltd. Kandla-Bhatinda Pipeline Project, 1158, Sector-13, Urban Estate, Karnal, Haryana.

And whereas it appears that for the purpose of laying such pipeline(s) it is necessary to acquire the right of user in the land described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals

Pipelines (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

Any person interested in the land described in the said schedule may within 21 days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein or laying of the pipeline under the land to Shri R. P. Kaushik, Tehsildar and Competent Authority, Indian Oil Corporation, Ltd. Kandla-Bhatinda Pipeline Project, 1158, Sector-13, Urban Estate, Karnal, Haryana.

[No. R-31015/1/92-O.R.I.]

KULDIP SINGH, Under Secy.

नई दिल्ली, 6 फरवरी, 1992

अनुसूची

का. भा. 623.—केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि गुजरात राज्य में बाडल से पंजाब राज्य में भटिंडा तक राजस्थान और हरियाणा से होकर पेट्रोलियम के परिवहन के लिए इंडियन आयल कॉर्पोरेशन लिमिटेड द्वारा पाइपलाइन बिछाई जाए:

और ऐसा प्रतीत होता है कि उक्त पाइपलाइन बिछाने के प्रयोजनों के लिए इस अधिसूचना से उपायुक्त अनुसूची में वर्णित भूमि के उपयोग के अधिकार का अर्जन करना आवश्यक है ;

अतः केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रवृत्त शक्तियों का प्रयोग करने हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने प्राणय की घोषणा करती है ।

उक्त अनुसूची में वर्णित भूमि में हिनबड़ कोई व्यक्ति, राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दिए जाने की तारीख से 21 दिन के भीतर, उनमें उपयोग के अधिकार का अर्जन या भूमि में पाइप-लाइन बिछाने के संबंध में आपत्ति लिखित रूप में श्री आर. पी. कौशिक, सहायक सचिव और सभ्य प्रौद्योगिकी, इंडियन आयल कॉर्पोरेशन लिमिटेड, कांडला भटिंडा पाइपलाइन परियोजना, 1158, मैक्टर 13, अर्बन एस्टेट, करनाल (हरियाणा) को कर सकेगा ।

[संख्या आर-31015/1/92--ओ आर.-I)]

कुलदीप सिंह, अवसर सचिव

New Delhi, the 6th February, 1992

S.O. 628.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Kandla in the State of Gujarat to Bhatinda in the State of Punjab, via, Rajasthan and Haryana, pipeline(s) should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline(s) it is necessary to acquire the right of user in the land described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

Any person interested in the land described in the said schedule may within 21 days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein or laying of the pipeline under the land to Shri R. P. Kaushik, Tehsildar and Competent Authority, Indian Oil Corporation, Ltd. Kandla-Bhatinda Pipeline Project, 1158, Sector-13, Urban Estate, Karnal, Haryana.

[संविदां प्रार-31015/1/92-ओ प्रार-I]

कुलदीप सिंह, प्रवर मन्त्रि

New Delhi, the 6th February, 1992

S.O. 629.—Whereas it appears to the Central Government that it is necessary in the public interest that for the 382 GI/92—19

transport of Petroleum from Kandla in the State of Gujarat to Bhatinda in the State of Punjab, via. Rajasthan and Haryana, pipeline(s) should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline(s) it is necessary to acquire the right of user in the land described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein.

Any person interested in the land described in the said schedule may within 21 days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein or laying of the pipeline under the land to Shri R. P. Kaushik, Tehsildar and Competent Authority, Indian Oil Corporation, Ltd. Kandla-Bhatinda Pipeline Project, 1158, Sector-13, Urban Estate, Karnal, Haryana.

## ANNEXURE

BEFORE SHRI ARVIND KUMAR, PRESIDING OFFICER,  
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-  
CUM-LABOUR COURT, CHANDIGARH

Case No. 12/89

Jaswant Singh Vs. Food Corporation of India.

For the workman—Shri P. K. Singla.

For the management—Shri N. K. Zakhmi.

Central Government vide gazette notification No. L-42012/125/87/2(B) dated 18th January, 1989 issued u/s 10(1)(d) of the I.D. Act, 1947 referred the following dispute to this Tribunal for decision :

"Whether the action of the management of Food Corporation of India represented through Managing Director, FCI, New Delhi Zonal Manager (N) New Delhi and Sr. Regional Manager, Chandigarh in dismissing Shri Jaswant Singh, watchman from service w.c.f. 12th March, 1986 is justified? If not then what other relief the workman is entitled to and from what date?"

2. Present reference was initiated by the Union and pending in this Court. However, Mr. P. K. Singla General Secretary of the Union who had initiated the reference by way of claim statement has made statement that he has no instructions to pursue the matter and the same may be treated as withdrawn. In view of the statement made by Shri P. K. Singla, General Secretary of the Union who had initiated the present reference, the present reference is dismissed as withdrawn and returned to the Ministry.

Chandigarh,

5th December, 1991.

Case No. CGIT/LC(R) (5)/1991

#### PARTIES :

Employers in relation to the management of Dudhichua Project of N.C.L., Post Dudhichua, District Sidhi and their workman, Shri Balbir Singh, Shovel Operator (T), represented through the Bhartiya Koyla Khadan Mazdoor Sangh (BMS) Post Singrauli Colliery, District Sidhi (M.P.).

#### APPEARANCES :

For Workman : Shri M. R. Chandra, Advocate.

For Management : Shri R. Menon, Advocate.

INDUSTRY : Coal Mining.

DISTRICT : Sidhi (M. P.)

#### AWARD

Dated : January 8th, 1992

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012(283)/90-IR (C. II), dated 17th January, 1991, for adjudication of the following dispute :—

"Whether the action of the management of General Manager, Dudhichua Project of NCL in dismissing from services of their workman Shri Balbir Singh, shovel Operator (T) is legal and justified? If not, to what relief the workman is entitled?"

2. Management filed its statement of claim. Workman did not do so inspite of time given to him. However, the parties have arrived at a mutual settlement and filed a Memorandum of Settlement today i.e. 8-1-1992 and verified the same before this Court. The terms of settlement are as under :—

#### TERMS OF SETTLEMENT

1. The dismissal case of Shri Balbir Singh, Ex-Shovel Operator (Trainee) Dudhichua Project of NCL was examined keeping in view his appeal dated 17-10-1990 and considered his case for the employment on compassionate/humanitarian ground.

2. Shri Balbir Singh, Ex-Shovel Operator (Trainee) Dudhichua will be taken back on the job in the same capacity and same basic pay, but his period of absence from 10th March, 1989 i.e. the date of his dismissal till he joins, will be treated as dies-non. However, Shri Balbir Singh will be allowed only duty at Khadia Project after the order/award of Tribunal is passed.

3. He will not raise any further dispute or prefer any claim before any court of law keeping in view that the dispute is finally settled and resolved.

4. The parties agree to file settlement before the Industrial Tribunal-cum-Labour Court, Jabalpur with a prayer to pass an order award in terms of the settlement arrived between the parties.

5. The matter relating to his dismissal and appeal made by him finally stands resolved/settled.

6. I have gone through the above terms of settlement and I record my award in terms incorporated in the Memorandum of Settlement being just, fair and in the interest of the workman concerned. There will be no order as to costs.

Employers in relation to the management of M/s. W.C. Ltd., Pench Area, P.O. Parasia, District Chhindwara (M.P.) and their workman Shri Mahadeo S/o Shri Kishan, Pump Driver, T. No. 574, represented by the General Secretary, Koyla Mazdoor Sabha, P.O. Dhanpuri, District Shahdol (M.P.).

## APPEARANCES :

For Workman : Shri Jagdish Singh.  
For Management : Shri R. Menon, Advocate.

INDUSTRY : Coal Mining. DISTRICT : Chhindwara (M.P.).

## AWARD

Dated, January 10th, 1992

This is a reference made by the Central Government, Ministry of Labour, vide its Notification No. L-22012(157)/89-IR-Coal-II, dated 30-11-1989, for adjudication of the following dispute :—

"Whether the action of the General Manager, W. C. Ltd., Pench Area, P.O. Parasia, Distt. Chhindwara in retiring Sri Mahadeo S/o Kishan, Pump Driver, T. No. 574 of Bhamori colliery w.e.f. 1-4-85 after the report of the Area Medical Board without correcting their mistake was justified? If not, to what relief the workman concerned is entitled?"

2. The workman concerned, Shri Mahadeo, was a Pump Driver, T. No. 574, at Bhamori Colliery, Pench Area of W. C. Ltd. He has been retired with effect from 1-4-1985. He is said to have attained 60 years age of superannuation.

3. The workman says that since the management wanted to remove him from service the Dy. Chief Personnel Manager, Pench Area, issued a letter to the workman dated 5th August, 1984 and advised him to appear before the Medical Board for medical examination. He mentioned the date of birth of Shri Mahadeo as 1-11-1928. The workman was sent to Barkui Hospital. He appeared before the Chief Medical Officer for medical examination on 18-6-1984. He was examined by the Medical Board and was found fit and he was also found to be 56 years of age.

4. Having received this information the management issued a letter dated 22-9-1984 stating that the workman has reached his age of superannuation i.e. 60 years on 31-3-1985 and he was retired from 1-4-1985.

ed his age of superannuation i.e. 60 years on 31-3-1985 and he was retired from 1-4-1985.

5. The workman raised objection, produced documents relating to his date of birth, School Leaving Certificate, Amravati, but to no effect. The order of his retirement is, therefore, illegal. He is liable to be reinstated with full benefits and back wages.

6. Management says that the reference speaks that the workman was retired after the report of the Area Medical Board without correcting the mistake. It is factually incorrect. The appropriate Government has exceeded its jurisdiction. The reference is not in conformity with the dispute raised by the Union. It is, therefore, liable to be rejected on this count alone.

7. As per statutory 'B' Form Register the age of the workman has been given as 50 years as on 1-1-1974. The management would have been justified in retiring him from 1-1-1984, but due to oversight of the dealing clerk the workman could not be retired with effect from 1-1-1984. During the course of checking of the Form B Register by the Colliery Manager the mistake was detected and the workman was retired from service with effect from 1-4-1985.

8. The issue of determination/verification of the age of employees was fixed and finalised at the 19th meeting of the JBCCI held at Calcutta on 16-1-1982. Objections were accordingly invited. The letter issued by the Dy. Chief Personnel Manager dated 5-8-1984 addressed to the Chief Medical Officer regarding medical examination was issued because the workman himself applied for referring him to Medical Board and inadvertently date of birth of the workman was written as 1-11-1928. The workman has taken the advantage of this mistake.

9. Prior to this the workman had filed a Civil Suit No. 135-A/85 which was dismissed as the workman could not prove that his age is 1-11-1928. The matter having already been decided by a competent Court the present reference is barred by principles of res judicata. The workman was never retired on the basis of the Medical Board report dated 10th September, 1984. He was retired on the basis of his date of birth entered in Form B Register. The date of birth in the Area Medical Report dated 10-9-1984 is not based on medical evidence but on a letter dated 5-8-1984 written by the Dy. C.P.M. The assessment by the Medical Board is not for determination of any age but only for determination of his medical fitness. His age was inadvertently recorded as 1-11-1928 because of the clerical mistake and secondly the medical report also committed the same mistake. The Area Medical Report was never constituted for the purpose of assessing the age of the workman. The reference is, therefore, liable to be rejected.

10. In rejoinder the management has stated that the Certificate submitted by the workman is not genuine.

11. Reference was the issue in this case.

## Findings with Reasons :

12. The workman has proved one document Ex. W/1 and the management admitted Ex. M/1. The workman has examined himself on oath by way of affidavit. This is all the evidence which has been placed before me.

13. Ex. W/1 is the order of my predecessor dated 6-4-88. My predecessor has held that the matter of determination of age cannot be determined under Section 33-C(2) of the I.D. Act. It has, however, observed in para 3 of the order that the competent court can give a verdict on this point.

14. Judgment Ex. M/1 shows that on this matter the workman had filed a civil suit. We are not going into the merits on this issue as to whether the civil court could entertain this claim or not, the fact remains that this point was raised before the competent court of law and in this civil suit the workman had failed to file the School Leaving Certificate. It follows that the School Leaving Certificate produced by the workman is not a genuine document and on this count alone his claim should be rejected and the version of the management should be accepted. That apart, Civil Court has specifically written the circumstances which show that the claim of the workman is not just. The workman in para 3 of his affidavit itself admitted that the Medical Board vide

its Report dated 13-6-84 has shown the workman to be fit for service. One can be very much fit for work at the age of 60 years in these days. Thus the recording of age of the workman in Form B Register cannot be questioned on the grounds raised by the workman, particularly when the matter has been decided by a competent Court of law with all the reasoning given therein.

15. The workman is, therefore, not entitled to the relief as claimed. The reference is accordingly answered as follows :—

The action of the General Manager, W. C. Ltd., Pench Area, P.O. Parasia, Distt. Chhindwara in retiring Sri Mahadeo S/o Kishan, Pump Driver, T. No. 574 of Bhamori Colliery w.e.f. 1-4-1985 after the report of the Area Medical Board without correcting their mistake was justified. He is not entitled to any relief. No order as to costs.

#### ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, ASANSOL

Reference No. 51/90

#### PARTIES:

Employers in relation to the Management of Kuardi Colliery under Satgram Area of M/s. E.C. Ltd.

AND

Their Workman.

#### APPEARANCES:

For the Employers: Shri P. K. Das, Advocate.

For the Workman: Shri J. D. Lal, Advocate and Shri C. D. Dwevedi, Advocate.

INDUSTRY: Coal.

STATE: West Bengal.

Dated, the 14th January, 1992

#### AWARD

The Government of India in the Ministry of Labour in exercise of the powers conferred on them by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following dispute to this Tribunal for adjudication vide Ministry's Order

No. L-22012/185/90-IR(C.II) dated the 14th November, 1990.

#### SCHEDULE

"Whether the action of the management of Kuardi (R) Colliery under Satgram Area of M/s. ECL, in dismissing Md. Kalam Khan, Pit Clerk, vide dismissal order No. SAT/GM/84/162 dated 25-12-1984 is justified? If not, to what relief the workman is entitled?"

2. The case of the union in brief is that Md. Kalam Khan the concerned workman was a worker of Kuardi Colliery under Eastern Coalfields Ltd. The workman served the colliery for over 12 years to the entire satisfaction of the management and there was no occasion for any complaint against his performance and conduct while he was in service of the company.

In August, 1984 the concerned workman was served with a chargesheet with the allegation that he was securing various contract jobs of the colliery by setting up one man named Rahmat Khan. There was further allegation that he presented inflated bill for such contract work. That chargesheet is dated 21-8-84. On 16-10-84 the workman submitted written reply but the authority was not satisfied with the explanation given by him. So the management started a domestic enquiry against the workman and in that domestic enquiry the concerned workman was found guilty for both the counts of the charges. On the result of the domestic enquiry the workman was dismissed from service w.e.f. 25-12-84.

3. The workman raised dispute through union. Attempts of conciliation failed. The matter was sent to the Ministry of Labour, Government of India and ultimately the Ministry of Labour has referred the dispute to this Tribunal for adjudication.

4. The management has filed written objection contending inter-alia that the concerned workman set up one man named Rahmat Khan and secured various contract work in different collieries in his name and thereby he has defrauded the company by suppressing the fact that the works were actually executed by him. The domestic enquiry was properly and fairly held. He has been rightly dismissed from service by the management on the result of the domestic enquiry. The management has also denied all the material averments made by the union in its written statement.

5. In this case the union challenged the validity of the domestic enquiry. It was also contended that the domestic enquiry was not properly and fairly held and the principles of natural justice were violated in holding the domestic enquiry. This point came up for hearing on 19-12-91. Sri J. D. Lal the learned Advocate for the union during the hearing of the case submitted that the "Union does not challenge the validity and fairness of the enquiry any more..... The Court may come to a finding that the principles of natural justice were not violated in this case in holding the domestic enquiry". On such submission made by Sri J. D. Lal this Court has come to a finding that the domestic enquiry was properly and fairly held and no principle of natural justice was violated in this case as the Court finds that the workman properly participated in the domestic enquiry.

6. As the Court has found that the domestic enquiry was properly and fairly held, the scope of the Tribunal is now limited. Sri J. D. Lal, learned Advocate for the workman has urged that this Tribunal is not bound by the findings of the learned Enquiry Officer. The Tribunal can re-appraise the entire evidence and may come to a different finding and on this point he has relied on the case reported in S.C.L.J. Vol. 10 page 159. The Tribunal can alter or reduce the punishment if after re-appraisal of the evidence the Tribunal also finds the workman guilty. Sri P. K. Das the learned Advocate for the management with his usual fairness submits that there is nothing to say against the legal propositions as submitted by Sri J. D. Lal.

So it is now the admitted position that the Tribunal can re-appraise the entire evidence and may come to an independent

conclusion disagreeing with the conclusion already arrived at by the Id. Enquiry Officer.

6. In this case the following charges (Ext. M-1) were framed against the concerned workman which read as follows :

**"CHARGESHEET"**

No. CS/84/2828  
Shri Kalam Khan,  
Pit Clerk,  
Kuardi Colliery.

Dated : 21-8-1984.

It has transpired that you set up one man named Rahmat Khan and secured various contract work in different collieries particulars of which are mentioned below in his name and have defrauded that company by suppressing the actual fact that the said contract jobs had actually taken up and executed by you.

Your aforesaid action constitutes fraud and dishonesty in connection with the company's business and the company had to face the risk of issuing cheque No. 304165 on State Bank of India, Asansol, on 29-6-84 for Rs. 92,976 towards the payment of the dues of an inflated bill submitted or caused to have been submitted by you, the payment of which, however, had been stopped when the actual fact came to the notice of the management. By aforesaid action, you have made yourself liable for committing misconduct as per Para 17(1)(a) of the certified standing order applicable to you which reads as under :—

"Para 17(1)(a)—Theft, fraud or dishonesty in connection with the employer's business or property, disclosure of any confidential or important information or any information relating to the employer's affairs or business or unauthorised or dishonest removal of any paper, document or books of the company."

**Particulars of Contract :—**

1. Depeat Order No. SAT/GM/AE(C)/83/1986, dated 16/15-3-83 for the supply of 1st Class Kiln Burnt Brick—2.5 lacs to Kuardi.

2. Work Order No. 0306803 dated 26-4-84 for the supply of 1st Class Kiln Burnt Bricks as follows :—

Kuardi (R)—2 lacs.  
Satgram (R)—6 lacs.  
Ratibati (R)—7 lacs.

You are, hereby directed to explain in writing within 48 hours from the date of receipt of this chargesheet as to why disciplinary action shall not be taken against you failing which the Management may take further action as it deems fit.

Sd./- Illegible.

Agent  
Kuardi/Tirat Collieries."

On the first count of the charge I find that there is allegation that being a worker of the company, Md. Kalam Khan set up one Rahmat Khan and secured several contract jobs and he actually executed the said contract jobs. I have carefully gone through the entire evidence adduced by the management during domestic enquiry. Considering the entire evidence on record and the facts and circumstances I have no hesitation to agree with the learned Enquiry Officer that in fact Md. Kalam Khan set up one Rahmat Khan and procured some contract jobs of the company and he executed the same.

As regards the second count of charge I find that there is allegation of fraud. It has been alleged during domestic enquiry that Md. Kalam Khan made attempts to get the inflated bill passed. Sri J. D. Lal the learned Advocate for the workman has taken me through the statements made by MW-3, MW-4, MW-5 and MW-6. It appears from their statements that they knew the matter from one Sri K. K. Gupta, Senior Accounts Officer. But that Senior Accounts Officer has not been examined. Sri Lal has urged before me that the findings of the Enquiry Officer is not supported by legal evidence.

He has urged before me that the Tribunal or the Enquiry Officer cannot come to a finding merely on conjectures and on this point he has relied on a case reported in A.I.R. 1972 (S.C.) page 2535.

Considering the entire evidence adduced in the domestic enquiry and all the facts and circumstances of the present case I find that there is no satisfactory evidence in the record to show that the present workman actually made attempts to defraud the company. I am unable to agree with the findings of the learned Enquiry Officer on the second count of charge.

7. So I find that Md. Kalam Khan the concerned workman, set up one Rahmat Khan and procured some contract jobs of the company and executed the same. Sri J. D. Lal has urged before me that such act of the workman does not amount to dishonesty. He has cited before me the case reported in Lab. I.C. 1985 page 729 wherein it has been held that the Court cannot fish out dishonesty and he has also cited before me the case reported in Lab. I.C. 1983 page 1909 wherein it has been held that misconduct must be enumerated in the Standing Order of the company. He has urged before me that in Clause 17(1)(a) of the Standing Order which has been referred in the chargesheet there is no mention of any act as dishonesty. He has urged before me that the present alleged act of the workman cannot be treated as dishonesty. Sri P. K. Das, the learned Advocate for the management has urged before me that dishonesty is a very wide term which has been mentioned in the present standing order. Considering all the facts and circumstances I am in agreement with the learned Lawyer for the management. I find that the alleged act of the workman amounts to some sort of dishonesty which is covered by Section 17(1) of the Standing Order. So I find that the learned Enquiry Officer rightly found the concerned workman guilty on the count of charge of dishonesty.

8. Now we shall see whether the punishment awarded in this case is proportionate with the alleged offence. Sri P. K. Das the learned Advocate for the management has urged before me that reinstatement is not a matter of natural rule. He has cited before me the cases reported in 1990 Lab. I.C. page 844, 1981 Lab. I.C. p. 1292, AIR 1980 (SC) page 1896, 1970 Lab. I.C. page 1166 and by placing those cases he has urged before me that in this case the dismissal of the concerned workman is quite proportionate. On the other hand Sri J. D. Lal the learned Advocate for the union has urged before me that such act does not warrant dismissal from service which is the extreme punishment. The Hon'ble Supreme Court has held that capital punishment shall be imposed in a rare of the rarest cases. In these hard days dismissal from service is worse than capital punishment.

So considering all the facts and circumstances of the present case I find that the dismissal from service in the instant case is a disproportionate punishment in view of the nature of the offence committed by the present workman. I find that in a case like the present one it will meet the ends of justice if the entire back wages of the concerned workman is forfeited.

9. In the result I find that dismissal of Md. Kalam Khan the concerned workman w.e.f. 25-12-84 was not justified. Md. Kalam Khan shall be reinstated in service within two months from the date of publication of the award without any back wages. If the management fails to reinstate him within the said stipulated period, Md. Kalam Khan shall stand reinstated from the date of expiry of that period of two months and he shall get his wages from that date. The entire back wages of Md. Kalam Khan are forfeited as punishment.

This is my award.

## ANNEXURE

BEFORE SRI ARJAN DEV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No. 64 of 1987

In the matter of dispute between :

Sri Ashok Shukla, General Secretary, State Bank of Bikaner & Jaipur, Staff Association, 58/45 Birhana Road, Kanpur.

AND

Manager, State Bank of Bikaner & Jaipur, Muzaffarnagar (U.P.).

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-12012/295/86-D.II(A) dated 12-6-87 has referred the following dispute for adjudication to this Tribunal:—

Whether the action of management of State Bank of Bikaner & Jaipur in terminating the services of Sri K. D. Sharma, Ex-clerk-cum-cashier w.e.f. 18-6-91 and denial of regular employment on compassionate ground was justified? If not, to what relief is the concerned workman entitled?

2. In the present case dates 21-12-90, 30-1-91, 18-3-91, 7-5-91, 15-7-91 were given to the Union/workman to file rejoinder. On 4-9-91, one Sri K. N. Sone, appeared in the case and submitted before the Tribunal that he had not received any letter of authority in his favour either from the workman or from the Union. The Tribunal vide its order dt. 4-9-91 closed the right of the Union/workman to file the rejoinder in the case and the case was ordered to come up on 15-10-91 for filing of the evidence in the case. None appeared from the side of the Union/workman on 15-10-91 despite issue of notice. The case was then fixed for further orders on 9-12-91. On 9-12-91 again none appeared for the Union/workman. Sri V. B. Mathur, appeared for the management bank. No affidavit evidence was filed on 9-2-91. It therefore appears from the conduct of the Union/workman that neither the Union nor the workman is interested in prosecuting the case any more. Therefore, a no claim award is given against the Union/workman.

3. Reference is answered accordingly.

## ANNEXURE

BEFORE SRI ARJAN DEV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-DEOKI PALACE ROAD, PANDU NAGAR, KANPUR

Industrial Dispute No. 93 of 1991

In the matter of dispute between :—

The President, All India State Bank of Patiala, Staff Federation, 3/35 Sector 22-D, Chandigarh-160022.

AND

The Regional Manager, State Bank of Patiala, C-31, Cannanught Circus, New Delhi-110001.

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L12012/113/91 I.R.(B) dated 21-6-91, has referred the following dispute for adjudication to this Tribunal—

Kya State Bank of Patiala Prabandhantra द्वारा श्री Vijay Kumar Mittal, Head Cashier Category B Bulandshahar Shakha ki allowance dipank 25-7-90 se 282 रुपये pratimah se 224 रुपये kar dena vaidya va uचित hai? Yadi nahi to karamkar kis anutosh ka adhikari hai?

2. The industrial dispute on behalf of the workman has been raised by All India State Bank of Patiala Staff Federation, Chandigarh (hereinafter referred to as Union for the sake of brevity).

3. The case of the Union is that the workman Sri Vijay Kumar Mittal was promoted as Head Cashier Category B by the management from the date he took over charge at Bulandshahar. The Union alleges that the workman joined Bulandshahar on 16-1-1989. At that time one clerk and 5 clerk-cum-cashier were posted in the said branch. Later on one clerk-cum-cashier was transferred to Secunderabad whereupon Sri S. D. Sharma joined in his place as clerk-cum-cashier. The above strength of staff was in addition to the workman. In terms of V Bipartite Settlement the workman was entitled to special allowance of Rs. 282 per month as Head Cashier Category B and he was paid special allowance at the said rate from January, 1989 to July, 1990. However, the Regional Manager, vide his letter dt. 24-7-90, abruptly ordered the reduction of special allowance from Rs. 282 per month to Rs. 224 per month and directed the branch manager Bulandshahar to effect recovery of the excess special allowance paid to him. The Union alleges that the said order is illegal and unjustified inasmuch as the said order resulted in change of service conditions of

the workman without following the procedure laid down under sec. 9A of the I.D. Act, 1947. Moreover, the para relating to payment of special allowance to head cashier category B as contained in the Bipartite Settlement has been wrongly been interpreted by the management. The Union has, therefore, prayed that the order directing the management to pay special allowance to the workman at the rate of Rs. 288 per month with further order to pay arrears be passed against the management.

4. The case proceeded ex parte against the management. The Union has proved its case by means of the affidavit of Sri M. C. Khurana, Vice President, of the said Union.

5. It is, therefore, held that the action of the management of the State Bank of Patiala in reducing the special allowance from Rs. 282 per month to Rs. 224 per month of the workman is held as illegal and unjustified.

6. Consequently, the workman is held entitled to receive special allowance at the rate of Rs. 282 per month so long as he holds the charge of cashier category B and is further held entitled to recover arrears of special allowance.

7. Reference is answered accordingly.

#### ANNEXURE

BEFORE SRI ARIAN DEV, PRESIDING OFFICER,  
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-  
CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No 145 of 1988

In the matter of dispute between:—

Sri Prem Bahadur Singh, C/o Sri B. D. Tewari,  
96/196 Roshan Bajaj Lane, Ganesh Ganj, Lucknow.

AND

The Regional Manager, State Bank of India,  
Region-I, Halwasiya Court, Hazratganj, Lucknow.

#### AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-12012/59/88-D-3(A) dated 2-11-88 has referred the following dispute for adjudication to this Tribunal:—

Whether the action of the management of State Bank of India in dismissing from service Sri Prem Bahadur Singh was justified? If not to what relief is the workman entitled?

2. The admitted facts are that in October, 1982, the workman was posted as Cashier in the Nagar Mahapalika Branch, Lucknow of the Bank. He was served with chargesheet dated 19-10-82 and simultaneously was placed under suspension. The charges were—

1. That you misappropriated the Bank's funds aggregating Rs. 4,500 by wilfully and knowingly obtaining advances on false grounds, as per details given below:—

(a) On 16-11-81, you obtained an advance of Rs. 2,500 from Nagar Mahapalika (Lucknow) Branch on the false plea that you had to participate in bilateral discussions between the Bank and the Staff Federation on the 19th and 20th December, 1981. However, no meeting for holding such discussions was either convened or held on the aforesaid dates.

(b) Again on 11-1-82, you obtained an advance of Rs. 2,000 from Bahraich Branch on the false plea that you had to participate on bipartite discussions between the bank and the Federation at Bhubaneswar on the 14th and 15th January, 1982. However, no such bipartite meeting was either convened or held on the aforesaid dates.

An ex-parte inquiry into the said charges was held by Sri K. Radhakrishna an officer of the bank. By means of his finding dated 29-6-83, he held both the charges as proved against the workman. The disciplinary authority accepted the finding given by the E.O. vide his order dated 29-7-83 and the same day issued a notice to the workman to show cause why on the basis of charges proved he be not dismissed from service. The disciplinary authority vide his order dated 30-11-83 confirmed the said notice and dismissed the workman from service. Against the order of punishment passed by the disciplinary authority, the workman filed an appeal which too was dismissed by the appellate authority vide order dated 20-9-84.

3. The workman alleges that he was the Assistant General Secretary of State Bank of India Staff Association. On 16-11-81, he applied for an advance of Rs. 2,500 for attending bilateral discussions between the management of the bank and the Federation of Staff of State Bank of India to be held at Bombay on 19th and 20th December, 1981. Again on 8-1-82 he applied for an advance of Rs. 2,000 for attending bilateral discussion at Bhubaneswar on 14th and 15th January, 1982. Both the advance applied for by him were sanctioned by the Bank. It so happened that the said two bilateral discussions did not took place. He therefore requested the bank either to adjust the aforesaid amount of Rs. 4,500 against an amount due to him from the bank or deduct the said amount from his salary. Accordingly the bank recovered the amount of Rs. 4500 from his salary. Despite that he was issued a chargesheet on 19-10-82. Workman alleges that the chargesheet was not accompanied by any statement of allegations nor it was stated in the chargesheet as to under what rule the taking of advance constitute a punishable offence. In fact the charges were not definite and specific. The chargesheet was signed by the Branch Manager who was his appointing authority. He further alleges that in a situation like the present one the only liability of employee is to refund the money taken in advance. The workman has then challenged the inquiry proceeding. He alleges that he was not given timely information so as to enable him to prepare his self defence properly. At the inquiry he was not given proper opportunity for taking an assistance of another employee. Even adjournment sought on medical grounds was refused. At the inquiry the E.O. examined the present officer as a witness which resulted in prejudice to him. The E.O. failed to notice the infirmity pointed out by him above in the chargesheet. Thus the inquiry was not conducted fairly and properly. Consequently the order of punishment is a public. The fact is that both the discipl-

linary authority and the appellate authority acted as a prosecutor and with malice. Any way the punishment awarded to him is highly disproportionate to the charges proved against him. He has, therefore, prayed for setting aside the order of punishment and for his reinstatement in service with full back wages and all consequential benefits.

4. The management plead that bilateral discussions/meetings between the management of Central Office of the Bank and representatives of Staff Association are held for discussing industrial relation at Bombay and other places in the country. In order to enable the representatives of the Staff Association to attend such bilateral meeting/discussion as and when convened the management of the bank have been permitting them to travel to the places of meetings/discussions at bank's expenses. Representatives of the Association, in this connection are allowed to withdraw estimated expenses towards the travel and halting charges in advance and are required to submit T.A. Bills, and refund the surplus, if any. These bilateral discussions/meetings are held between the management of the bank and representatives of the Staff Association with prior arrangement and only the authorised representatives of the Staff Association are allowed to participate in such meetings/discussions. As admitted by the workman, he took an advance of Rs. 2500 on 10-11-81 and Rs. 2000 on 11-1-82. However, it was revealed that no such meetings/discussions were at all convened, merely held, as was represented to the bank by the workman. Despite that the workman never returned the said two advance nor rendered any account for the same within reasonable period. The charges levelled against the workman were substantially admitted by him in his explanation dt. 29-10-82. The explanation of the workman dt. 29-10-82, has been reproduced by the management in para 6 of the written statement. In view of the admission of the charges by the workman it was not necessary for the management to hold a departmental inquiry against him, but still as a matter of procedure as contained in para 521 of the Sastry Award, the E.O. was appointed to hold the inquiry into the charges against the workman. Despite sufficient opportunity given to the workman, he failed to attend the inquiry proceedings. He did not even bother to approach the E.O. to reopen the inquiry as a special case. In the circumstances, the E.O. enquiry was held *ex parte* against him. The workman in his reply of the tentative order/decision of the disciplinary authority vide his letter dated 15-9-1983 only challenged the *ex parte* proceedings as well as finding of the E.O. No other objection was raised by him. Similarly he challenged the order of dismissal passed by the disciplinary authority while preferring his appeal before the Appellate Authority. After the order passed by the Appellate Authority, the workman challenged his dismissal from bank's service by filing Civil Writ No. 5629 of 1984 before the Lucknow Bench of the Hon'ble High Court of Allahabad. The said writ petition was dismissed as not maintainable on 23-5-85. The workman then filed a Special Writ Petition before the Hon'ble Supreme Court but the same was dismissed in limine on 5-11-85. Allegations made by the workman to the contrary are wrong and that the grounds on which workman has challenged the order of dismissal are without any substance. The management further plead that the workman was also served with a chargesheet dated 24-1-83 on the following charge—

1. That on 21-4-82 you in collusion with Sri M. K. Trehan, Cashier Bahraich Branch fraudulently obtained payment of a cheque for Rs. 13,497 at Bahraich Branch by impersonating for the payee and forging his signatures as per the details given below.

5. In his rejoinder the workman denies that he had admitted all charges levelled against him. He admits the filing of writ petition by him in the Hon'ble High Court of Allahabad and also the filing of Special Leave Petition before the Hon'ble Supreme Court. According to him the Hon'ble High Court dismissed his writ petition on the ground that there was no breach of State Bank of India Officers Service Rules and DTCS Order 1979 as his service conditions were not governed by any of these documents. The workman affirmed that he was also served with another chargesheet dt. 24-1-83.

6. On 8-2-90, the following preliminary issue was framed in this case—

Whether the departmental inquiry was not conducted fairly and properly by the management as alleged by the workman.

On the said issue the workman examined himself and the management examined Sri Arvind Swarup Tandon an officer of the Bank, posted in the Zonal Office at Lucknow. The management also filed the documents relating to the domestic inquiry and some documents summoned by the workman.

7. On 11-4-91, Sri B. D. Tewari, the authorised representative for the workman under instructions from the workman submitted before the tribunal that the workman did not press the preliminary issue framed on 8-2-90. It was also submitted by Sri Tewari that the workman would simply argue the case on the point of punishment and would seek to invoke the jurisdiction of the Tribunal under Sec. 11-A of the Industrial Disputes Act, 1947.

8. Both the sides have filed written arguments, little knowing that the above statement had been made by Sri Tewari on 11-4-91 under the instructions from the workman. In his written arguments, the workman has dealt with the points that the chargesheet is a nullity; that both the Presenting Officer and Enquiry Officer acted as prosecutor and that the finding given by the E.O. are perverse. Similarly Sri Mahesh Chandra authorised representative for the management in his written arguments has also touched above the points that the inquiry against the workman was conducted fairly and properly and that the finding given by the E.O. are not perverse.

9. Since there is a statement by Sri B. D. Tewari, the authorised representative for the workman under the instructions from the workman on 11-4-91 to which reference has been made by me above, I will not be touching these points. I shall be confining myself only to the point whether or not it is a fit case for exercise of powers by the Industrial Tribunal under sec. 11-A of the I.D. Act.

10. The admitted position is that the workman had taken an advance amounting to Rs. 4500 from the bank on the pretext of attending bilateral discussions on 19th and 20th December, 1982 and on 14th and 15th January, 1982 at Bombay and Bhuvaneshwar respectively when in fact no such meetings were called at the said two places on the said dates.

11. It has been contended by the workman that the grant of advance by the bank to him towards T.A. constitute merely a debt against him and the said debt got cleared off when the amount of Rs. 4500 was recovered from his salary for the months of June, July and August, 1982. After the recovery of the amount, the bank was not legally entitled to initiate disciplinary proceedings against him.

12. In the above contention of the workman, I find no force. The management in their written statement have admitted this much that for attending bilateral discussions/meetings the bank has been permitting the representatives of the Association of the workers at bank's expenses. In the instant case the workman took an advance for a specific purpose and not by way of loan from the bank. Therefore, the amount taken by him as an advance cannot be treated as a loan. From the findings it is clear that he did not voluntarily returned the amount of the advance taken by him by the bank. Rather from the order dt. 30-11-83, of the Disciplinary Authority it will be evident that the amount was recovered from his salary and allowances and bonus payable to him during the period July, 1982 to April, 1983 after he had been repeatedly called upon to make good the amount of the bank.

13. Another point raised by the workman is that the facts of the case does not amount to misappropriation of the advance taken by him from the bank and consequently it does not amount to gross misconduct under para 521(4)(j) of Sastry Award, which defines the term Gross Misconduct.

14. In this contention also I find no force. It is the admitted position of the parties that the two amounts were taken by way of advance for specific purpose, the purpose being to attend the bilateral discussions at Bombay and Bhubaneswar. It has been found during the inquiry that the advance taken on two occasions was taken by the workman on false grounds. This fact is almost admitted by the workman himself in his claim statement when he says that no such bilateral discussions had taken place at the said two places on the said two dates. It means that the amounts of advance were not utilised/appropriated for the purpose for which they were taken. When such is a situation it will be presumed that the amounts so taken by the workman were misappropriated. Ordinarily the term 'MIS-APPROPRIATION' means appropriation of the amount for a purpose other than the purpose for which it has been taken. So I fully agree with the findings of the E.O. as accepted by the Disciplinary authority that the act of the workman amounts to Misappropriation of money.

15. The question is whether it amounts to gross misconduct as referred to in para 521(4)(j) of Sastry Award or not. In support of his contention that such an act does not constitute gross misconduct under para 521(4)(j) of the Sastry Award the workman has relied on the following two rulings.

1. A. L. Kalra Versus Project & Equipment Corporation Ltd., (1984) 3 SCC 316.
2. Gopal Krishna Prabhu Versus Central Bank 1991 SC 532 (Kerala).

I have gone through these rulings and find that both are distinguishable on facts. In the first case, the Hon'ble Supreme Court held that the acts of misconduct must be precisely and specifically stated in rules (or Standing Orders) and they cannot be left to interpreted ex post facto by the management. These observations were made by the Hon'ble Supreme Court in a case where in Rules (or Standing Orders) misconduct has not been specifically stated.

16. In the second case the Hon'ble High Court held that what in a given context would constitute conduct prejudicial to the interest of the bank to be treated as misconduct would expose an area not amenable to objective evaluation. If that be the position such conduct cannot be treated as misconduct. However in the instant case, there is no ambiguity about the charge and the act of the workman. Further the act which has been treated as misconduct by the management is not such as is not amenable to objective evaluation. His act is fully amenable to objective evaluation. His case fully falls within the ambit of the term gross misconduct as referred to in para 521(4)(j) of Sastry Award.

17. Lastly, comes a question of quantum of punishment. In the claim statement, the workman has described himself as Assistant General Secretary of the State Bank of India Staff Association, at the relevant time. It means that he was occupying a fairly important position in the Association of Award Staff. In his capacity he would be presumed to be looking after the interest of the award staff diligently in matters relating to their service conditions and other allied matters arising out of the same. Being a senior most office bearer of the State Bank of India Staff Association it was expected of him to set a good example for others. But if such a workman himself violates rules and regulations considering himself to be above the administration, he would surely be setting up a bad example for the members of the staff association. The other members can also think that if the management cannot take any disciplinary action against such office bearer of the staff association what the management could do of them if they also flaunt the Rules etc., regulating their service matters. So the case like the present, the gravity of the gross misconduct increased and it calls for a deterrent punishment.

18. It has been pleaded by the workman that the amount of advance was recovered by the management from his salary from the months of June, July and August, 1982 but

this statement does not appear to be wholly correct when seen in the light of what was found by the Disciplinary Authority while passing his order dt. 30-11-83. The Disciplinary Authority has clearly observed that the amounts obtained by the workman were recovered from his salary and allowances and bonus payable to him during the period July, 1982 to April, 1983 after he had been repeatedly called upon in vain to make good the amount of the bank. So all this does not constitute any extenuating circumstances in his favour.

19. No doubt the workman deserves a deterrent punishment but we must not forget the humane aspect of the matter. Not only he but his family members for no fault of theirs must have undergone a lot of mental agony, during this long period for over 7 years. In these days it is very difficult to get an employment. We have seen above the amount has already been recovered from his salary and bonus. I am therefore of the view that in the circumstances it would be a sufficient punishment if he is ordered to be reinstated in service with 50 per cent of his back wages with stoppage of 3 annual graded increments permanently. The period of suspension will be treated as on duty but in respect of the period of suspension he will not get more than what he had already got by way of subsistence allowance. I invoke my powers under Sec. 11-A of the Industrial Disputes Act, 1947, accordingly.

20. Hence, the order of dismissal from service of the workman passed by the management of State Bank of India is set aside and the management is directed to reinstate the workman in service with 50 per cent of his back wages with the stoppage of 3 annual graded increments permanently. The workman will also be entitled for all consequential benefits. The period of suspension of the workman will be treated as on duty in respect of the said period he will not get more than what he had already got by way of subsistence Allowance.

21. Reference is answered accordingly.

ANNEXURE

BEFORE SHRI ARJAN DEV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No. 94 of 1990

In the matter of dispute between:

BETWEEN

Shri Bhupendra Nath Singh,  
Authorised Representative/  
Member Works Committee,

State Bank Workers Organisation,  
2, Naveen Market Parade,  
Kanpur.

AND

The Regional Manager,  
State Bank of India,  
Region No. 1,  
Mall Road, Kanpur.

#### AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-12012/303/89-IR(B-3) dated 6-4-1990, has referred the following dispute for adjudication to this Tribunal:—

“Whether the action of the State Bank of India, Kanpur in relation to their Moosa Nagar Branch in terminating the services of Shri Faquir Chand Agrawal, Canteen Boy w.e.f. 12-8-1987 is justified? If not, to what relief the workman is entitled to?”

2. The industrial dispute on behalf of workman Shri Faquir Chand Agrawal has been raised by the State Bank Workers Organisation, Kanpur (hereinafter referred to as Union for the sake of brevity).

3. The case of the Union is that the workman was appointed as a Canteen Boy on 16-6-1979, at Moosanagar Branch of the bank on a salary of Rs. 150 per month. Besides performing the duties of Canteen Boy the management took from him also the work of peon messenger and Daftari. From 13-8-1987 to 16-8-1987, the workman remained on leave but when on 17-8-1987, he went to office to join his duty he was not allowed to join duty by the manager orally. Later on the manager Moosa Nagar Branch assured him that he would be given job on 30-9-87, but the said assurance was not honoured. The Union alleges violation of the provisions of Section 25N I.D. Act and also adoption of Unfair Labour Practice by the management with regard to the workman. The Union has, therefore, prayed for the reinstatement of the workman with full back wages as admissible to class IV employees of the bank.

4. The case is contested by the bank. The management plead that the claimant was engaged by the Local Implementation Committee which is an independent body of Staff of Moosa Nagar Branch of the bank on a consolidated salary of Rs. 150 per month. The said salary used to be paid by the said committee to the workman and not by the bank. According to the management the canteen is run exclusively for the welfare of staff members on no profit no loss basis by the committee. The canteen is neither owned nor controlled by the bank management except at a few identified branches/banks. Moosa Nagar Branch is not amongst such identified branches of the bank. Under the welfare scheme subsidiary is paid by the bank to the committee which meets cost of the expenses of the canteen through its staff members. The management further plead that the committee is not an industry and consequently the claimant is not a workman within the meaning of the provisions of I.D. Act. The claimant was neither paid any wages by the bank nor the benefits which are available to the class IV employees of the bank were available to him. In fact there was no relationship of employer and employee between the claimant and the bank. Lastly, it is pleaded by the management that similar disputes were raised in LCA Case Nos. 151 of 1987 to 157 of 1987 and 160 of 1987 to 170 of 1987 by the various canteen boys against the bank but the said cases were dismissed by this very court by means of a detailed order dated 27-4-1988.

5. In support of his case, the Union has examined oral as well as documentary evidence. The oral evidence consists of the statement of the workman.

6. I have gone through the evidence on record and the relevant provisions of the I.D. Act and find that the Union has no case at all. This very question whether a Canteen Boy is a workman within the meaning of section 2(s) I.D. Act came up for consideration before this court in LCA cases referred to by the management in their written

statement. After considering the evidence and some staff circulars issued by the State Bank of India, it was held by this court that a Canteen Boy is not a WORKMAN within the meaning of Section 2(s) I.D. Act. I see no reason to differ with my said view. Exception only exists in respect of such Canteen Boys as have been working in certain identified branches named in the Schedule annexed to the agreement between the State Bank of India and its employees regarding Canteen Employees dated 31st October, 1977. Admittedly Sri Faquir Chand Agrawal had been working as a Canteen Boy in the canteen run by Local Implementation Committee at Moosa Nagar Branch. The name of this branch does not appear in the list of branches and offices given in the schedule.

7. In his cross examination the workman has admitted the existence of Local Implementation Committee at Moosa Nagar Branch of the Bank. He also admits that the said committee runs a canteen in the said branch. The canteen boys are paid wages through cheques signed by the Secretary and the President of the Committee. He has further admitted that as a canteen boy he was not enjoying benefits similar to those enjoyed by the award staff nor he was getting salary equal to that of sub staff. From para 10 of my order in the LCA case it appear that only subsidy is paid by the bank to this committee for running the canteen.

8. In the above circumstances I hold that as a canteen boy Sri Faquir Chand Agrawal was not an employee of the bank but was an employee of the Local Implementation Committee. As such he was not a workman within the meaning of Section 2(s) I.D. Act.

9. The Union has further come out with the case that the case of Sri Faquir Chand Agrawal has also worked as peon messenger and daftari. In my view this part of the Union's case cannot be considered in view of the reference order in-as-much as in the reference order Sri Agrawal has been referred to as Canteen Boy only. Even otherwise I find no substance in the case of the Union.

10. In para 5 of his affidavit Sri Agrawal has deposed that during the period 26-8-1980 to 10-9-1983 he had worked for total number of 71 days as a temporary messenger and in support of it he has filed the photo stat copy of the certificate dated 28-5-1986 issued by the Branch Manager, Moosa Nagar Branch. There is no evidence in rebuttal. So the period during which he had worked as a temporary messenger he would be deemed a workman within the meaning of Section 2(s) I.D. Act. But this is not sufficient to grant relief to Sri Agrawal. I have not been shown as to how in view of his having worked for 71 days as temporary messenger during the period of 3 years he became entitled to any relief. The authorised representative for the Union Sri D. N. Tewari, has not been able to show any violation of any provisions of the I.D. Act by the management bank. So even on this count the Union's case fails.

11. Held that the question of termination of services of Sri Faquir Chand Agrawal Canteen Boy by the management of State Bank of India, in relation to its Moosa Nagar Branch does not arise at all as Sri Agrawal was not an employee of the bank as a canteen boy.

12. Consequently the Union is held entitled to no relief.

13. Reference is answered accordingly.

#### ANNEXURE

BEFORE SRI ARJAN DEV PRESIDING OFFICER  
CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL  
PANDU NAGAR, DEOKI PLACE ROAD, KANPUR

I.D. No. 200 of 1990

In the matter of dispute between :

Div. Secretary,  
U.R.K.U. 96/196 Roshan Bajaj Lane,  
Ganesh Ganj Lucknow.

AND

Sr. Div. Mach. Engineer  
N. Rly. Hazarat Ganj  
Lucknow.

#### AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-41012/126/89 I.R. (DU) dt. 18-9-90 has referred the following dispute for adjudication to this tribunal :—

“Whether the Sr. D.M.E. Northern Rly. Lucknow was justified in terminating the services of Sri Om Prakash s/o Sri Nanhey Lal w.e.f. 4-10-81? If not, to what relief the workman concerned is entitled to?”

2. In the present case written statement on behalf of the management was filed on 7-2-91 (vide order sheet dated 20-2-91) copy of which was given to the Union's representative on 20-2-91 intimating him 22-4-91 as the date for filing of rejoinder in the case on behalf of the Union. Thereafter 4-6-91, 1-8-91, 20-8-91 & 7-10-91 are allowed as a date, for filing of the rejoinder but the rejoinder was filed by the Union in the case. On 5-12-91 when the case came up for hearing Sri B. D. Tewari, informed the Tribunal that despite contact the workman has not turned up and, as such the Union is no more interested in the case and it withdraws.

3. Therefore, in view of the submissions made by Shri B. D. Tewari, authorised representative for the Union on 5-12-91, a no claim award is given in the case against the Union.

4. Reference is answered accordingly.

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. 41012/23/89-D-2(B) dated 30 October, 1989, has referred the following dispute for adjudication to this tribunal :—

“Whether the Dy. COS Northern Railway, Lucknow was justified in reduction of two stages in time scale as a punishment awarded to Sri Sukhdeo Prasad Mistry? If not, to what relief the workman was entitled to?”

2. In the present case rejoinder on behalf of the Union was filed on 8-10-90. The same day Union moved application for summoning of documents which was disposed of on 8-1-91 at camp court Lucknow. Whereafter dates 20-2-91, 22-4-91, 4-6-91, 1-8-91, 19-8-91, 3-10-91 were given to the Union for filing of affidavit evidence in support of their case but no affidavit evidence was filed in the case till 3-10-91, when on the application of adjournment of the Union the case was adjourned to 26-11-91 with specific directions that no further time would be allowed.

3. On 26-11-91, none appeared for the union nor it filed affidavit evidence in the case in support of claim statement. I may state here that the Union despite availing sufficient opportunity with regard to filing of the affidavit evidence did not file it. It therefore appears that the Union is not interested in prosecuting the case. As such, in the circumstances of the case stated above, a no claim award is given against the Union.

4. Reference is answered accordingly.

Hazratganj,  
Lucknow-226001.

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-41012/53/90-I.R. (D.U.) dt. 17-3-91 has

referred the following dispute for adjudication to this Tribunal :—

“Whether the Sr. D.M.E., Northern Railway, Lucknow is justified in terminating the services of Shri Vijay Kumar, S/o Shri Daya Nand, substitute Khalasi, w.e.f. 5-9-81? If not, what relief the workman concerned is entitled to?”

2. In the instant case date 5-12-91 was allowed as last opportunity for filing of the statement of claim on behalf of the workman/Union. On 5-12-91, Shri B. D. Tewari appeared and submitted before the Tribunal that since the workman did not turn up the Union is no more interested in prosecuting the case of the workman.

3. The reference, in view of the above submission made by Shri B. D. Tewari an office bearer of the Union, is decided against the workman/Union. The result is that the workman/Union is entitled to no relief.

4. Reference is answered accordingly.

## AWARD

1. The Central Government, Ministry of Labour, vide its notification No. L-41012/38/89-D.2(B) dt. 15-12-89, has referred the following dispute for adjudication to this Tribunal :—

“Whether the DSE (Coordination) Northern Rly., Lucknow was justified in not regularising the services of Sri Jagdish Kumar as Valveman from July 84, and also reverting the workman. If not to what relief the workman was entitled to?”

2. On 23-12-91, the Union moved an application for time to file affidavit in the case. The said application was rejected by me, as already sufficient opportunity had been availed by the Union but despite that the Union failed to file affidavit evidence in support of its case.

3. It, therefore, appears that the Union is not interested in prosecuting the case any more. As such a no claim award is given against the Union/workman.

4. Reference is answered accordingly.

Their Workmen

#### APPEARANCES :

On behalf of Management.—Mr. B. N. Lala, Advocate.  
On behalf of Workmen.—None.

STATE : West Bengal.

INDUSTRY : Coal.

#### AWARD

On the allegations of premature, illegal and unjustified terminated of service by way of superannuation of 1. Sobrati Mia of Chinakuri Mine No. III and 2. Lal Mohammad, Mechanical Foreman of Chinakuri Mine No. I under Eastern Coalfields Ltd., with effect from July 1, 1985, the following dispute :—

- (i) "Whether the action of the Management of Chinakuri Mine No. III of M/s. E. C. Ltd., and
- (ii) Whether the action of the Management of Chinakuri Mine No. I of M/s. E. C. Ltd., in not accepting the age of Shri Sobrati Mia, Stone Cutter Chinakuri Mine No. III and Shri Lal Mohammad, Mechanical Foreman, Chinakuri Mine No. I as recorded in the Identity Card Issued by the Erstwhile Employer, viz. M/s. Bengal Coal Co. Ltd., and terminating their services w.e.f. 1-7-1985 on the ground of attaining age of superannuation is justified? If not, to what relief the workmen are entitled?"

After conciliation, was referred for adjudication to this Tribunal by the appropriate government by Order No L 19012(100)/86-D-IV(B) dated 23rd April, 1987.

2. From a reference to the order sheet and records of this proceedings, it will appear that initially there was no appearance entered by and on behalf of the employees, even though services was duly affected and thereafter, one Shri P. K. Goswami appeared for some days for the employees concerned, but ultimately, neither the said Shri Goswami nor the employees effectively took part in the proceedings or appeared in support of their contentions, although pleadings of the parties were duly completed.

3. It was the case of the employees represented by West Bengal Khan Mazdoor Sangh (U.F.I.C.) of Chinakuri Colliery (hereinafter referred to as the said Union) that the actions of superannuation as mentioned earlier, were given effect to, ignoring and violating the ages of the employees concerned, as recorded by the erstwhile employer viz. Messrs Coal Co. Ltd., in the Identity cards as issued. It has been stated that the employees concerned were initially employed under the said M/s. Bengal Coal Co. Ltd., in their respective mines of Chinakuri Colliery and after taking over of the said Bengal Coal Co. Ltd., on Nationalisation in 1973, the employees served under E.C.L., till their services were terminated with effect from July 1, 1985, on the employer's plea that they have reached 60 years of age, which was admittedly the age of superannuation, which was/is an age of superannuation in the Coal Industry.

4. It has been claimed that in the Identity card issued to the employees concerned by M/s. Bengal Coal Co. Ltd., contained the signatures of the Colliery Officials with photographs attached therein. The year of birth of Sobrati Mia has been shown as recorded there as 1930 and that of Lal Mohammad, 1929. It has also been stated that apart from the Identity cards, containing necessary particulars as mentioned, the employees concerned became the members of the Coal Mines Provident Fund Institution, on giving due declaration of their date of birth, the particulars whereof have been indicated earlier. It was submitted that in the light of such admitted position regarding the dates of birth, the employees concerned were entitled to serve upto 1990 and 1989 respectively and as such, their untimely superannuations as mentioned earlier were illegal.

5. The actions in the instant case have also been claimed, apart from the submissions as recorded, to be violative of natural justice and the said Union has thus submitted that the employees concerned, should be allowed to resume their duties and to serve upto their respective years of retirement as mentioned earlier.

6. The Employers in their written statement, have claimed that the Mines Act 1952 is the law relating to requisition and safety in Mines and the said Act prescribes inter alia, a Form viz. 'B' Form Register, wherein the particulars of all persons employed in the mines are recorded and the concerned employee other put their signatures with their left thumb impressions showing the authenticated nature of their entries as recorded. It has been stated, in the said 'B' Form Register, the age, date of birth are also recorded in terms of the declarations given by the concerned persons.

7. There was no doubt that Chinakuri Mine Nos. III & I were Nationalised, pursuant to the Coal Mines (Nationalisation) Act 1973, with effect from May 1, 1973 and all employees employed in the Mines, immediately prior thereto became the employees of the Government Company i.e. the Coal Mines Authority Ltd. and later on, of the Eastern Coalfields Limited, on the same terms and conditions as before,

8. The Employers have stated that seen after Nationalisation of the Mines, a Form 'B' Register was opened, incorporating the particulars relating to the employees, as contained in the 'B' Form Register of the erstwhile owners, in this case, the said Bengal Coal Co. Ltd., and each employee signed the said Form 'B' Register, as prepared by the Government Company, in authentication of the correctness of the particulars as contained and in the instant case, the services of the employees concerned were also taken over by the Government Company, on the same terms and conditions of their services. It has also been stated that in the concerned 'B' Form Register, the years of birth of the employees were recorded as 1925 and thus, taking into consideration the present age of superannuation at 60 years, the employees concern-

ed were duly superannuated in 1985, as admittedly their year of birth were recorded as 1925.

9. The Employers have also stated that in the year 1981, the Joint Bipartite Committee for the Coal Mining Industry, circulated an agreement, by which the disputes regarding the recording of age of employees in certain contingencies, were to be recorded by referring to that Committee as constituted by Employers and such agreement was in force still and none of the parties to that agreement has terminated the same in accordance with law.

10. There was a rejoinder to above written statement of the Employers filed by the said Union on July 20, 1988, wherein the material allegations have been denied.

11. As stated earlier, that after entering appearance for some days till the date of final hearing, no appearance was either entered or any contest made by the said employees or the said Union and the evidence of MW-1 Shri B. K. Chattopadhyaya, Personnel Officer of Chhinakuri Colliery, has gone unchallenged, so also the documents and records produced and proved through him. It should also be noted that no evidence was tendered by and on behalf of the said employees.

12. On the basis of the evidence as tendered and not challenged, the said 'B' Form Registers which have duly recorded the year of birth of the employees concerned as 1925, have gone unchallenged and so also the other documentary evidence as produced.

13. Mr. Lala, appearing for the Employers indicated that under Section 48 of the Mines Act read with the Mines Rules, the 'B' Form Registers in the instant case were duly prepared and retained, apart from the fact that they were duly authenticated by the employees concerned. The xerox copy of those 'B' Form Registers have been marked Ext. M-1, M-2 and the originals of them were returned, after comparing the entries with the xerox copies. Apart from the above, Mr. Lala placed reliance on Ext. M-3, the Identity card of Lal Muhammad, which also showed his year of birth recorded as 1925.

14. In view of the above mentioned facts, Mr. Lala claimed that the employees concerned cannot now resile from the statements as recorded in the 'B' Form Registers and duly authenticated by them. He also submitted that the Tribunal has no jurisdiction to compel the Employer to continue an employee in service, on the basis of his corrected date of birth beyond the original date of superannuation, arrived at on the basis of the contractual agreement, but, if at all, it can declare correct date of birth of the employees concerned. Such submissions were made by Mr. Lala on a reference to the Single Bench decision of Andhra Pradesh High Court in the case of Bathul Gabriel Vs. District Manager, A.P.S.R.T.C., reported in 1982 Lab. 1-C 297. Apart from this, reference was made by Mr. Lala to the Division Bench judgement of the Patna High Court, in the case of Baidya Nath Pd. Singha Vs. the State Bank of India & Ors., 1983 Lab. 1-C 1962 wherein it has been indicated amongst others, that a person asserting particular date of birth cannot later claim that date of birth was wrongly recorded and the doctrine of "Factum Valet Quod Fieri Non Debet" will apply only if the validity of his initial appointment had become jeopardised by any non action of the Government or if any action taken by the petitioner, had been assailed on the ground that his appointment was invalid.

15. I have just recorded the decisions as cited by Mr. Lala, but I think, even without reference to these decisions, in the facts and circumstances of the case and more particularly when the evidence tendered by the Employers have neither been challenged nor any evidence has been led by and on behalf of the employees to rebut them, the employees cannot succeed in this Reference and as such, the same cannot be allowed.

16. Thus this proceedings should fail and so also the Reference.

17. This is my Award.

V. K. VENUGOPALAN, Desk Officer

#### ANNEXURE

BEFORE SRI ARJAN DEV, PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, PANDU NAGAR, KANPUR

Industrial Dispute No. 110 of 1990

In the matter of dispute between :—

The Organising Secretary,  
Bank of India Staff Union,  
LIC Building, The Mall,  
Kanpur.

AND

The Regional Manager,  
Bank of India,  
Mal Building,  
Ashok Marg,  
Lucknow.

#### AWARD

1. The Central Government, Ministry of Labour vide its notification No. L-12012/550/89-D-2-A dated 16-4-90 has referred the following dispute for adjudication to this Tribunal :—

Whether the Regional Manager, Bank of India, Lucknow was justified in imposing penalty of stoppage of one increment permanently to Sri Rattan Kumar Cashier Incharge of Madion Branch? If not, to what relief the workman is entitled?

2. The Industrial Dispute on behalf of the workman Sri Rattan Kumar has been raised by Bank of India Staff Union, Kanpur.

3. The admitted facts are that the workman while he was posted as clerk cum cashier at Madion Branch was served with chargesheet dated 25-2-83 issued by Regional Manager, Lucknow Region. One Sri K. D. Rawat, posted as sub staff at the said branch was also similarly charged. The chargesheet read as follows:—

During the month of April 1981 you alongwith Sri K. D. Rawat Staff Subordinate Madion Branch demanded a bribe of Rupees One thousand five hundred

(Rs. 1500) from Sri Rajendra Prasad Yadav who was working at Madion Branch as a Waterboy on daily wages, with an occurrence to get Sri Yadav appointed in the Bank's service as a Badlee Sepoy. Both of you also stipulated that out of the aforesaid amount of Rs. 1500 an amount of Rs. 500 (Rupees Five Hundred Only) be paid to you immediately and the balance of Rs. 1,000 may be paid after he gets a job as a Badlee Sepoy in the bank. Accordingly Sri Yadav gave Rs. 500 on 26-4-81 to Sri Rawat in your presence and he accepted the same as a bribe. Your aforesaid act of demanding and accepting bribe amount to gross misconduct within the meaning of clause 19.5(k) of the First Bipartite Settlement dated 19-10-66.

The Branch Manager appointed Sri D. Ghosh Roy, Dy. Chief Officer, Credit Department, Zonal Office, Lucknow, as Enquiry Officer. He held inquiry into the said charges against the said two employees of the bank on 17-5-83, and 19-5-83. On these two dates, however, he did not record any evidence. Thereafter, the Regional Manager, appointed Sri P. Kumar, Industrial Relation Officer, Central Office, Bombay as Enquiry Officer. He completed inquiry and vide his finding dated 2-9-83, he held the charge as proved against the workman. The Regional Manager who happened to be the disciplinary authority accepted the finding given by the E. O. and issued a notice to the workman to show cause why punishment of stoppage of 4 increments permanently be not awarded to him. After hearing the workman and his defence representative, the disciplinary authority, vide his order dt. 27-12-83, Modified the said notice and awarded to the workman the punishment of stoppage of 3 increments permanently. Against the order of punishment, the workman filed an appeal which was partly allowed by the Appellate Authority (Zonal Manager U. P. Zone) vide his order dt. 26-10-84. He substituted the punishment awarded by the Disciplinary Authority by a punishment of stoppage of one increment to the workman permanently.

4. The Union has assailed the order of punishment on a number of grounds. The Union alleges that the bank has not displayed on its notice board a notice to the effect that the Chairman and Managing Director of the Bank has been empowered to appoint Regional Managers of the bank as Disciplinary Authority by the Board of Directors of the Bank. Further no resolution has been passed by the Board of Directors whereunder the Disciplinary Authority has been authorised to appoint Enquiry Officer. The Regional Manager, Lucknow, even if appointed as Disciplinary Authority was not empowered to appoint Sri P. Kumar as Enquiry Officer as the said officer was posted outside his region.

5. Next it is alleged by the Union that during the course of inquiry proper opportunity for defence was not given to the workman by the E. O. The management did not produce before the E. O., the Investigating Officer's Investigating Report of the Security Officer nor did it produce the Security Officer who held the preliminary investigation as a witness in the inquiry. The management also did not produce the complainant to confirm his complaint at the inquiry. Lastly, it is alleged by the Union that the finding given by the E.O. and accepted by the Disciplinary Authority, and confirmed by the Appellate Authority is not supported by evidence which was adduced before the E.O. These officers failed to take note of the affidavit of the complainant dt. 12-3-83 in which it was clearly stated by the complainant that the money was given by him to Sri K. D. Rawat sub staff as a loan for the marriage of the niece of Sri Rawat. Union has, therefore, prayed for setting aside the order of punishment and for restoration of one increment withheld permanently under the order of punishment and all other consequential benefits.

6. The case is contested by the management. The management plead that vide para 19.14 of the 1st B.P.S. read with Para 3(ii) of the 3rd Bipartite Settlement, the Chairman-cum-Managing Director, who is also the Chief Executive Officer of the Bank is empowered to appoint Disciplinary Authority in respect of the Award Staff. In pursuance of the said powers the Chairman-cum-Managing Director vide his order

dt. 7-12-81 copy Ext. M.2 appointed the Regional Managers as Disciplinary Authority. The Management dispute the fact that the Board of Directors of the bank are required to pass a resolution empowering Chairman-cum-Managing Director to appoint disciplinary authority and inquiry officer. The 3rd Bipartite Settlement clearly lays down that the disciplinary authority conduct inquiry himself or appoint another officer as E.O. for the purposes of conducting the inquiry. The management bank deny that the workman was not given proper opportunity for defence. According to the management the inquiry against the workman was conducted in accordance with the procedure laid down in Sastry Award, Desai Award and the Bipartite Settlement. The management also deny the fact that the findings given by the E. O. is perverse. According to the management the findings is fully supported by evidence on record.

7. On 2-4-91, the following preliminary issue was framed in this case :—

Whether the inquiry was not conducted fairly and properly in accordance with the principles of natural justice ?

On the above issue, the Union examined the workman and management examined M. W. Kamta Prasad, Manager Madion Branch and filed papers relating to inquiry I may state here that the case has been argued not only on the preliminary issue but also on the point whether or not the finding given by the E.O. is perverse.

8. The first point that has been argued by Sri V. K. Srivastava, authorised representative for the Union is that the Regional Manager was not appointed as Disciplinary Authority by Board of Directors. In this argument I find no force. Under the Head Disciplinary Action and Procedure in the 1st Bipartite Settlement it is specifically provided that the Chief Executive Officer or the Principal Officer in India of a Bank or an alternate officer at the Head Office or Principal Officer nominated by him for the purposes shall decide which officer (ie. the Disciplinary Authority) shall be empowered to take disciplinary action in the case of each office or establishment. He shall also decide which officer or body higher in status than the officer authorised to take disciplinary action shall act as the Appellate Authority. It further provides that these authorities shall be nominated by designation to pass original orders or hear and dispose off appeal from time to time and a notice specifying the authorities so nominated shall be published from time to time on the Bank's Notice Board. It further lays down that the disciplinary authority may conduct the inquiry himself or appoint another officer as inquiry officer for the purpose of conducting an inquiry.

9. Ext. M-4 is the copy of notification issued by the Chairman-cum-Managing Director, in pursuance of the above provisions contained in the 1st Bipartite Settlement as modified by 3rd Bipartite Settlement. By means of the said notification the Regional Manager was appointed as Disciplinary Authority in respect of the Award Staff. The document has been admitted by Sri Srivastava, the authorised representative for the Union, so on this point the Union fails.

10. The second point argued by Sri Srivastava is that the Regional Manager, Lucknow, was not empowered to appoint an officer posted outside his region as inquiry officer. Admittedly Sri P. Kumar, the second E. O. at the time of his appointment as a E.O. was posted as Industrial Relation Officer, Central Office Bombay. The authorised representative for the management says that there is no bar to such appointment by the Disciplinary Authority and even otherwise it is not open to the workman/Union to raise such a plea as at no time during the inquiry such an objection was taken by the workman/defence representative. The workman must therefore be deemed to have acquired in his appointment.

11. I have gone through the relevant provisions of the 1st B.P.S. relating to disciplinary proceedings. These settlements are silent on the point under consideration. Normally, in my view, the Regional Manager, should not appoint an officer who is posted outside his Region as E.O. If, as in the instant case, he appointed an outside officer as E.O., he

committed no illegality. Even otherwise it is now not open for the Union to raise such a plea when no such objection was raised by the workman/defence representative against the appointment. Having acquiesced in his appointment and in the conduct of inquiry by him, the Union has lost all the grounds to raise such a plea.

12. Now I come to the finding recorded by the E. O. and accepted by the Disciplinary authority and confirmed by the Appellate Authority. After hearing the two sides and going through the evidence on record and the inquiry I find that there is no sufficient material to hold that the finding is perverse or is not based on evidence or that such a view as was taken by the E.O. could not be taken on the evidence on record.

13. At the inquiry the management examined M.W.1, Sri A. D. Epat, the then manager Madion Branch M.W. 2, Smt. Tulsia Devi, M.W.3, Sri Badri Prasad Yadav and M.W.4, Sri Sarjoo Prasad Yadav. The last three witnesses are the mother, brother-in-law, and father respectively of the complainant Kajendra Prasad Yadav. The manager is not a witness of fact but the other three witnesses are witnesses of fact and they have supported the charge by their evidence and I find nothing in their evidence to disbelieve them. The first payment of Rs. 500 was witnessed by the mother, the second payment of Rs. 500 was witnessed by the father and the 3rd payment of Rs. 500 was witnessed by the brother-in-law (Bahnoi).

14. It has been argued by Sri Srivastava, that the management did not examine the complainant at the inquiry. Even the E.O. did not consider the affidavit dt. 12-3-83 of the complainant which was filed at the inquiry before the E.O. on behalf of the workman. In the affidavit he has said that the amount of Rs. 1500 was taken from him by Sri K. D. Rawat as a loan in connection with the marriage of his niece.

15. I do not find any force in this submission of Sri Srivastava. Cogent reasons have been given by the mother, father and the brother-in-law of the complainant in their evidence about the complaint. Further the affidavit as such is of no consequence and it could not have been looked into as a piece of evidence by the E.O. The receipt of Rs. 1500 was admitted by Sri K. D. Rawat sub staff in his reply. If the workman or Sri Rawat wanted to rely upon the affidavit of the complainant they should have produced the complainant in the witness box. It appears from the evidence and circumstances that the workman and Sri K. D. Rawat deliberately withheld the complainant. I see no reason why these three very closed relatives of the complainant would give a wrong statement. It is in their evidence that Rs. 500 were collected by the complainant from his Sasural. Rs. 500 from his father and Rs. 500 from his brother-in-law, Sri K. D. Rawat as is the case of the workman would not have approached the complainant for loan in connection with the marriage of his niece who himself was in search of employment and had no money of his own. The fact that the workman was also present at the time of receipt of the money go to show even if he had not taken the money in his hand from the complainant, is a circumstance to show that he was a party to the episode. Hence, I find that it was rightly held by the E.O. that the workman was also a party of the taking of bribe from the complainant.

16. Another point which has been raised by Sri Srivastava, is that at the time of inquiry in the list of documents and the witnesses the presenting officer included the name of the Security Officer who held the preliminary investigation and submitted his report and that the copy of the report was demanded by the defence representative but he deleted both the documents and the name of the security officer from the said list saying that he would not rely on them. It was on the said submission of the Presiding Officer that the E.O. observed that since the documents and the witness were not being relied upon by the P.O., to substantiate the charge, it is not essential to order the P.O. to furnish the copy of the investigation report.

17. There is no dispute about the facts, I fail to understand how the workman stood prejudiced on account of it when the management/bank did not rely on the said document and the witness.

18. Held therefore, that the finding is not perverse.

19. Since it is not a case of dismissal, discharge or removal from the service, the powers of the Tribunal under sec. 11-A of the Industrial Disputes Act, 1947, cannot be invoked. The Appellate Authority has already taken a lenient view in the matter and has awarded the workman the punishment of stoppage of one increment, permanently.

20. Held that the action of the management of the Bank of India in imposing the penalty of stoppage of one increment permanently to Sri Rattan Kumar, workman concerned is neither illegal nor unjustified. Consequently, the workman's Union is held entitled to no relief.

21. Reference is answered accordingly.

AWARD

1. The Central Government, Ministry of Labour, vide its Notification No. L-17012/8/88-D.I (B) dated 5-5-89, has referred the following dispute for adjudication to this Tribunal :—

Whether the action of the management of New India Assurance Company Ltd. in terminating the services of Kumari Seema Baral w.e.f. 8-1-88 is legal and justified? If not, to what relief the workman is entitled?

2. The case of Kumari Seema Baral is that she was appointed as a Typist on 4-10-86 by the Manager, Rajpur Branch Dehradun of the New India Assurance Company Limited after typing test and interview. At the time of appointment she was told by the Manager of the said branch

that as there was heavy load of typing work in the branch she would have to come for doing typing work even on Sundays and Holidays when required. About her remuneration the Manager told her that the same would depend on the instruction of the Senior Divisional Manager of the Company at Dehradun. After taking over charge she was provided with a separate register for marking her daily attendance. She was informed that she would be allowed to sign the routine attendance register only after confirmation of her appointment by the Head Office of the Company. She alleges that she worked as such continuously till 7-1-88.

3. She further alleges that she was paid wages totalling Rs. 1824 on 14-10-86 and thereafter till 31-12-86. Since the mode of payment of wages was in contravention of Articles 14 and 39(d) of the Constitution of India and also in contravention of the Equal Remuneration Act, 1976 and Bounded Labour Act, on her repeated verbal requests the branch manager after having telephonic conversation with the Sr. Divisional Manager Dehradun abruptly made a change in her wages and mode of payment w.e.f. 1-1-1987 in contravention of the Section 9-A of the I. D. Act. Thereafter, she was paid wages totalling Rs. 3575 beginning from 2-2-87 till 31-7-87 at the rate of Rs. 25 a day. Thereafter the branch manager again made an abrupt change in her wages and the mode of payment of wages to her w.e.f. 1-8-87 in contravention of Section 9-A I. D. Act, w.e.f. 1-8-87 she was paid wages totalling Rs. 2434, the last payment having been made on 21-1-88. In paras 15, 22, and 27 she has given details about the amounts of wages paid with dates.

4. She has then alleged that on 8-1-88 when she went to the office for doing duty she was told by Sri S. K. Sharma Manager Rajpur Branch verbally that under the telephonic instructions from the Sr. Divisional Manager, Dehradun her services were being terminated with immediate effect. According to her the action of the management in terminating her services was in violation of the provisions of Sections 25-F, 25-G and 25-H I.D. Act and in violation of the Articles 14, 16, 21 and 39(d) of the Constitution of India. She has therefore prayed for her reinstatement with continuity of service and with full back wages and other benefits admissible to a permanent typist working in the company.

5. The management have contested the claim of the workman Kumari Seema Baral. According to the management there had never been the relationship of employer and employee between the company and Kumari Seema Baral. She was never appointed as a Typist by the Manager, Rajpur Branch Dehradun. In fact the branch manager was not competent to appoint her as a typist. The fact is that certain papers were made available to her for typing on contract basis as and when required by the management of the company. She was paid typing charges in accordance with the work done by her at the rate of 80 paise per insurance policy which was subsequently enhanced to Rs. 1 per policy. No timings were fixed for her nor even the place of working. There was no control or supervision over the work done by her. It is absolutely wrong that she had worked as a typist from 4-10-86 to 7-1-88. The management denied contravention of any provisions of Section 9-A of the Industrial Disputes Act, 1947. According to the management if there are 5 or more vacancies the names of suitable candidates are invited from the Employment Exchange and after the receipt of names written examination, typing test and interview are held. In the case of the applicant no such procedure was adopted. I may state here that there is the general denial of the payments alleged as having been made to her but it is no where stated in the written statement as to what payments actually were made and when they were made to Kumari Seema Baral for the work done by her.

6. In support of their respective cases both sides have led oral as well as documentary evidence. Whereas Kumari Seema Baral has examined herself the management have examined Sri S. K. Sharma who had been the manager of Rajpur Branch of the Company from 1984 to June 1988.

7. The following points arise for determination in this case—

1. Whether Kumari Seema Baral was the workman within the meaning of Section 2(s) of the I. D. Act ?

2. Whether the management committed breach of Sections 25-F, 25-G and 25-H of the I. D. Act ?

8. Point No. 1 :

The case set up by Kumari Seema Baral is that when she learnt about the existence of a clear vacancy of typist in the Rajpur Branch of the Company she applied for her appointment and after interview and typing test she was appointed as a typist in that vacancy by the branch manager on 4-10-86. The management have denied the case set up by the workman. According to the management the branch manager had no authority nor he was competent to make such an appointment. In para 14 of the written statement, the management referred to the process of recruitment for filling up the vacancy in the company. This process has been referred to by him while dealing with the written statement of the management. In support of the recruitment process the management have not filed any circular of the company. In the absence of any such circular it cannot be said whether the process refers to recruitment for filling up regular vacancy or even it is applicable to engagement of daily wagers to meet the exigency of work. However, from the facts alleged in the claim statement, evidence and the circumstances I come to the conclusion that Kumari Seema Baral was never appointed to fill up the regular post of a typist.

9. In para 12 of the claim statement it has been alleged by her that after her appointment as a typist she was provided with a separate register for marking her daily attendance. She was informed that she would be allowed to sign the routine attendance register only after her appointment was confirmed by the Head Office of the company. In para 19 of the claim statement she has alleged that when she objected to the mode of payment to her wages, Sri S. K. Sharma Branch Manager, after telephonic conversation with the Sr. Divisional Manager, Dehradun, abruptly made a change in her wages w.e.f. 1st January, 1987. Then in para 29 of her claim statement she has alleged that on 8-1-88 when she went to the office, the branch manager terminated her services with immediate effect verbally under telephonic instructions from the Sr. Divisional Manager, Dehradun. Thus from these facts it becomes evident that her appointment was to be made by some authority higher than the Branch Manager, Rajpur Branch of the Company.

10. In her cross examination, she has stated that she is familiar with the procedure of recruitment. According to her although her name was registered in the employment exchange her name was not sponsored by the employment exchange to the company. She was never interviewed by the Board. In his affidavit, the management witness has denied that she had ever appointed Kumari Seema Baral as a Typist. He has also referred to the recruitment procedure without filing the circulars in this regard. In para 7 of his affidavit he has deposed that she was paid typing charges in accordance with the work done by her. In the beginning she was paid typing charges at the rate of 80 paise per insurance policy which was later on enhanced to Rs. 1 per policy.

11. Now I refer to annexures B-1 to B-7 of the affidavit of Kumari Seema Baral. These are receipts of payments of typing charges dated 14-10-86, 24-10-86, 6-11-86, 20-11-86, 28-11-86, 19-12-86 and 31-12-86 respectively on the basis of bills submitted by her.

12. Next I refer to Ext. M-1 to Ext. M-14 which was summoned by Kumari Seema Baral from the management. These bills are submitted by Kumari Seema Baral alongwith details of typing work done by her and the payment receipts. These documents also show that she was paid typing charges at piece rate. Hence I find there had been no regular appointment of Kumari Seema Baral as a typist. Work was taken from her at piece rate general. I have used the word generally as we have not yet discussed the case of Kumari Seema Baral that from 1-1-1987 to 31-7-87 she had worked

as a daily wager who had been paid wages at the rate of Rs. 25 per day.

13. An important question which arises is whether, despite the fact work had been taken from her at piece rate she could be held as a daily wager and consequently a workman within the meaning of Section 2(s) of the I. D. Act.

14. The case of Kumari Seema Baral is that at the time of appointment she was informed that she would be required to attend office regularly from 10 a.m. to 5.30 p.m. on every Monday, Tuesday and Wednesday and from 10 a.m. to 5.30 p.m. on every Thursday and Friday with rest interval of half an hour from 1.30 p.m. to 2 p.m. According to her she was provided with a separate seat (Table and Chair) and with a separate typewriter for typing work. She was also provided with a separate register for marking her daily attendance. However, she was informed that she would be allowed to sign the routine attendance register only after confirmation of her appointment by the Head Office. Her further case is that from 4-10-86 onwards she worked continuously as a full time employee till 7-1-88. She has corroborated her above case by means of her affidavit and with her affidavit she has filed copies of attendance sheets Annexures A-1 to A-17 beginning from October 1986 and ending with January, 1988.

15. The attendance sheets Annexure A-1 to A-17 contain only her name. In her cross examination she has deposed that these photostat copies were given to her by the management witness on 10th to 11th January, 1988. She delivered these photostat copies to her authorised representative some time in 1990. She was unable to tell the date and month when she handed over these documents to her authorised representative. She has admitted that the claim statement was prepared by her authorised representative Sri V. K. Gupta on her instructions. There is no mention of these documents except that she was asked to maintain a separate attendance register in the claim statement and rejoinder. She admits that in these documents the signatures of any officer or any member of the staff of the company do not appear. To a further question in her cross examination she has stated that she never reported to any authority in writing about the maintenance of such an attendance register. For the first time she told about it orally to ALC(C), when questioned in this regard. She denied the suggestion that no such attendance register was ever maintained by her. From the above facts and circumstances I am of the view that no such register was maintained by her while working as typist in the office of the company and that it has been manufactured by her, may be on the advice of the authorised representative for lending support of her case.

16. In para 5 of his affidavit, the management witness has deposed that Km. Seema Baral had been doing typing work some time in office and some time outside the office of the company. This part of the statement of the witness of the management does not appear to be worthy of credence. No suggestion was put to her in her cross examination by the authorised representative for the management that some times she had been doing typing work outside the company. There is no evidence that she had been running a shop where she had been doing typing work of the company and the typing work of public at large. In the event of her having done typing work on her own typewriter the management could have led evidence by producing documents typed by her showing that they were typed by her on some typewriter not belonging to the company. Hence, I find that whatever typing work was done by her it was done by her on the typewriter of the company and it were the company which supplied her necessary typing stationery for doing typing work.

17. Next I come to the point whether or not she had been doing typing work in the office of the company throughout office hours. In para 22 and 23 of her claim statement Kumari Seema Baral has alleged that from January, 1987 to 31st July, 1987 she was paid wages at the rate of Rs. 25 per day. She has corroborated this fact by means of his/her affidavit. With her affidavit she has filed photostat copies of payment vouchers Annexures C-1 to C-7 showing that such and such payments were made to her on

such and such dates. These details confirms that the details given by her in para 22 of her claim statement are correct. The details are—

Date on which payment made	Amount paid
1. 2-2-1987	Rs. 525
2. 2-3-1987	Rs. 525
3. 31-3-1987	Rs. 625
4. 4-5-1987	Rs. 500
5. 29-5-1987	Rs. 425
6. 30-6-1987	Rs. 425
7. 31-7-1987	Rs. 550

It will be seen that every amount is paid to her on the above dates is divisible by Rs. 25.

18. Ext. M-8 is the photostat copy of the bill dated nil submitted by Km. Seema Baral to the Branch Manager, for payment of typing charges on the basis of typing work done by her on different dates would be 21 days in the month of February 1987, the total is for Rs. 525. If the amount of Rs. 525 is divided by Rs. 25 it will come to 21 days.

19. All the above evidence thus lend support to the case of Kumari Seema Baral that during the said period she had been paid wages at the rate of Rs. 25 per day. It appears that in order to circumvent the law i.e. to say that in to deprive her to the benefits of the provisions of the I. D. Act, almost all the payments were got prepared from her showing that she had been claiming payments of typing work done by her at piece rate. In para 27 of her claim statement she has given details requiring payments made to her by the company in respect of typing work done by her subsequent to July 1987. These details are—

1. 31-8-1987	Rs. 450
2. 30-9-1987	Rs. 450
3. 30-10-1987	Rs. 372
4. 30-11-1987	Rs. 455
5. 30-12-1987	Rs. 528
6. 21-1-1988	Rs. 179

She has corroborated the above facts by means of her affidavit and documents Annexures D-1 to D-6 which are photo copies of payment vouchers. It will be seen that but for some minor difference are ignorable, payments received by her are divisible by 25. Payments made on 30-10-87 fall short of Rs. 3 and payments received on 30-11-87, 30-12-87 and 21-1-88 are excess of the rounds figures by Rs. 5, Rs. 3 and Rs. 4 respectively. The management could have shown by producing evidence that the typing work done by her on each day could be done by any regular typist in less than a day. The documents filed by the management in pursuance of the order of the court show that alongwith her bills she submitted details of typing work done by her.

20. I may state here that this does not seem to be true of payments detailed by Kumari Seema Baral in para 15 of her claim statement and para 18 of her affidavit.

21. I therefore draw a conclusion that from January, 1987 till 7-1-88 whenever Kumari Seema Baral attended the office she did typing work throughout office hours. The fact that she had been typing work entrusted to her in the office of the company with the typewriter of the company and the stationery provided by the company, thereby deemed to be a workman within the meaning of Section 2(s) I. D. Act. The management are therefore guilty of unfair labour practice. Truly speaking the management exploited the weakness of Kumari Seema Baral who had no alternative but to submit to the dictates of the company with regard to the manner of payment of wages. The company did not act as a Model Employer.

Point No. 1 is decided in favour of Kumari Seema Baral, and against the management company.

22. Point No. 2 :

There is no evidence from the side of Kumari Seema Baral about the alleged violation of the provisions of Section 25-G I. D. Act, 1947.

23. For the purposes of determination whether or not the management violated the provisions of Section 25-F I. D.

Act we will have to take into account the period from 8-1-87 to 7-1-88. If we divide the payments received by her during these periods by 25 the number of working days would come to 240 days. Details of payments and the details on which these payments were made for the above period have been above referred to by me while dealing with point No. 1. If to this are added Sundays and Holidays the number of working days would be much more than 240 days. It is not the case of even the management that before terminating her services she was given one month's notice or one month's pay in lieu of notice and was paid retrenchment compensation. Hence, the management is held having violated the provisions of Section 25 I.D. Act. Point No. 2 is decided accordingly.

23. In view of my findings on the above two points I hold that the action of New India Assurance Company in terminating the services of Kumari Scema Baral w.o.f. 8-1-88, was neither legal nor justified. Consequently, she is held entitled to her reinstatement in service with full back wages and all consequential benefits. Since she had been doing typing work she would get back wages at the minimum of the pay scale of the regular typist working in the company with D.A., C.C.A. H.R.A. etc. as per Rules.

24. Reference is answered accordingly.

New Delhi, the 27th January, 1992

S.O. 652.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal, Kanpur as shown in the Annexure, in the industrial dispute between the employers in relation to the management of Indian Overseas Bank and their workmen, which was received by the Central Government on 27-1-1992.

[No. L-12012/21/85-D.II(A)]

V. K. VENUGOPALAN, Desk Officer  
ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL  
TRIBUNAL NO. 2, BOMBAY

Reference No. CGIT-2/71 of 1985

PARTIES :

Employers in relation to the Management of Indian  
Overseas Bank

AND

Their Workmen.

APPEARANCES :

For the Employer—(1) Shri P. M. Parekh (2) Dr.  
Subash Srivastava, Officers of the Bank

For the Workmen—Shri N. N. Boricha Representative.  
INDUSTRY : Banking STATE : Gujarat

Bombay, the 6th January, 1992

AWARD

The Central Government by their order No. L-12012(21)/85-D.II (A) dated 18-11-1985 have referred the following industrial dispute to this Tribunal for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947.

382 GI/92—23

"Whether the action of the management of Indian Overseas Bank, Food Grain Market, Bhavnagar in terminating the services of Shri Nanji Bhai K. Rathod, Ex-Messenger is justified? If not, to what relief he is entitled and with what effect?"

2. The case of the workman Shri Nanji Bhai K. Rathod, in short, is thus :—

He was working as the temporary messenger for about 8 months from January 1980 to September 1980 at the Bhavnagar Branch of the Indian Overseas Bank. He was appointed as a permanent messenger on and from 1-10-1980 and his services were terminated by the Bank's letter dated 24-10-1981. The termination of his services is bad in law, and as such he is entitled to reinstatement in service.

3. The contentions of the Bank management as disclosed from their written statement (Ex. M/3) filed by the Industrial Relation Officer of the Bank in short, are thus :—

The said workman was employed in the service of the Bank under an express condition that he did not have any close relative then serving in the Bank. The said workman had given a declaration on 20-5-1981 that he had no close relative then working in that Bank. However, by his letter dated 4-7-1981 he admitted that one Shri B. M. Sumra, Shroff, a Godown Keeper, was his brother-in-law, and was working in that Bank. Thereafter the Bank by their letter dated 24-10-1981 terminated the services of that workman after following the due procedure.

4. The Bank management further contended thus :—

The present reference has been made at a belated stage and time, and as such is not maintainable in law. After the termination of his services, the workman accepted the notice pay and the necessary amount of the retrenchment compensation on 2-11-1981, and as such, he not now entitled to raise any industrial dispute. No industrial dispute now exists between the workman and the Bank management, as the workman has accepted the termination of the service for three years after the termination of his services, and thereafter made the complaint about it to the Assistant Labour Commissioner. Therefore, the workman is not entitled to any relief, and his claim should be rejected.

5. The contentions of the workman to the said contentions of the Bank management, as disclosed from the statement of claim (Ex. W-2) in short are thus :—

He had never suppressed any fact regarding his relationship with Shri D. M. Sumra, Clerk/Godown Keeper of the Bank, but on the contrary he had disclosed it when he was specifically asked for. Further, as per the custom of his community, i.e. Weaver Caste, his sister's husband is not at all regarded as his near relative, and sister's son can marry with the daughter of her real brother. In law there is no ban in recruiting the blood relations in the Bank. In other Banks, the near relations of such other are appointed in the same Bank. His termination of services on the said ground is against the constitution of India. The charges levelled against him were not enquired into, and he was deprived of his right to cross examine the witness. The notice pay and the retrenchment compensation were not paid to him on the day of the termination of his services. Therefore the termination of his services is void and bad in law. The workman therefore lastly prayed that this Tribunal should set aside the order of the Bank dated 24-10-1981 terminating his services, and should direct the Bank management to reinstate him in service with full back wages, and the other service benefits.

6. The Issues framed by my learned predecessor at Ex. 4 are :—

1. Whether the delay affects the right of the workman under the Industrial Disputes Act, 1947?

2. If yes, whether the reference is not maintainable on account of alleged delay ?
3. Has the workman accepted the termination ?
4. If yes, can he challenge the same ?
5. Whether the termination of services of the workman was in accordance with law ?
6. Whether the workman is guilty of suppressing the information regarding a close relation working in the Bank ?
7. If yes, was the termination on this count justified ?
8. Is the workman entitled to any relief ?
9. What Award ?
7. My findings on the said Issues are :—
  1. No
  2. Maintainable.
  3. No
  4. Does not survive.
  5. Yes.
  6. Yes.
  7. Yes.
  8. Nil.
  9. Award as per below.

#### REASONS

8. The workman Shri N. K. Rathod filed his affidavit (Ex. W-6) and filed the affidavit of Shri M. P. Patel (Ex. W-16), the President of his community. According to the witness Shri M. P. Patel, as per the custom of the Wesvers' community the brother-in-law is not considered as a close relative. However, in his cross examination he stated that his community to which the said workman belongs, has no rules or regulations in writing regarding the close relations.

9. The Bank management filed the affidavit of Shri K. M. Mehta. (Ex. M-17) who had officiated as the manager of the Bhavnagar Branch of the Bank during the period in question, in support of their case. All these three witnesses were cross examined by the respective opposite party.

10. The documentary evidence on record is thus :—

Ex. M-19 is a copy of the circular dated 31-12-1973 issued by the General Manager of the Bank to all Branches of the Bank. This circular stated that :—

“(Very often we find that the branches engage candidates as temporary messengers without verifying whether they are related to any member of staff attached to the particular branch or any other branch of the Bank. It was often found in several cases that the candidates who were close relatives such as brothers or brother-in-law are appointed in service. This is irregular. Further, the applicants applying for the post should be asked to mention in their applications the names of their relatives, if any., then working in the Bank to ensure that the applicant has no close relative already working with the Bank.”

Therefore, as per the circular dated 31-12-1973, in case any close relative which includes the brother-in-law, is already in the service of the Bank, then the other relative of this close relative cannot be appointed in service. The only exception to this clause was that only one son or a daughter of an employee in service can be appointed in service. According to the workman, the brother-in-law, i.e. the sister's husband is not a close relative as per the custom of the Weaver's community. However, an employee desirous to serve in the Bank is bound by the rules and regulations of the Bank, and not by the custom of the community to which he belongs.

11. A similar circular was issued by the Deputy General Manager on 24-7-1981 (Ex. M-20). It is true that the workman in question was appointed as a temporary messenger on 1-10-1980, while the circular at Ex. M-20 is dated 24-7-1981. Even then, I find that the workman is bound by this circular as well as by the previous circular dated 31-12-1973 referred to above. As per this circular dated 24-7-1981 (Ex. M-20), as soon as the appointment of the temporary messenger is approved by the Central Office, the Branch Office and the Regional Office should obtain a formal declaration from the candidate to make sure that

there is no close relative of him then working in the Bank. Therefore, even as per this circular in case any close relative of the applicant is already in service, the applicant desiring service in the Bank is not entitled for service in the Bank. Further, the said workman was appointed in the Bank's service as a temporary messenger on 1-10-1980. He had submitted a declaration dated 20-5-1981 (Ex. M-22) to the Bank which stated that,

“I hereby declare that there is no any close relative already working in the Bank.”

Thus, as per this declaration, his brother-in-law was not then in the service of the Bank. Thereafter, on 4-7-1981 the workman made a statement (Ex. M-23) before the Bank management that one Shri B. M. Sumra who was then already in the service of the Bank, was his brother-in-law. Therefore, as per this declaration, his close relative, i.e. the brother-in-law was then already in the service of the Bank. Thereafter, the Bank management terminated the services of the workman by their letter dated 24-10-1981 (Ex. 23-A) from that date. This letter addressed to the workman stated that :—

“He was appointed as a temporary messenger in the Bank by the letter dated 1-10-1980. At that time he had given a declaration dated 20-5-1981 that he had no relatives working in the Bank. Thereafter by his letter dated 4-7-1981 he stated that Shri B. M. Sumra, Shroff/General Clerk working in the Bhavnagar Branch is his brother-in-law. In terms of the engagement also he was a temporary employee and his services were liable to be terminated without assigning any reason or without giving any notice.”

As soon as the services were terminated, the Bank management sent a pay order for Rs. \$15.85 Ps. which includes one month's pay in lieu of the notice of termination and the retrenchment compensation, being the pay for 15 days to the workman. Therefore, as the said workman's close relative, i.e. the brother-in-law was already in the service of the Bank, the Bank management terminated the services of the said workman in terms of the above said circulars. Further, the payment of one month's pay and the necessary compensation was paid to the workman soon after the order of termination of his services was issued, even though the said amount was not paid to him on the date of termination of his services.

12. A copy of the appointment letter by which the said workman was appointed in service on 1-10-1980 is at Ex. M-21. This letter clearly stated that :—

“The services of the workman as a messenger is purely temporary and is liable to be terminated at the sole discretion of the Bank management without giving any notice, and without assigning any reason. Further, this temporary appointment does not confer any right on him to claim permanency in any category of the Bank's service.”

Therefore, even assuming that the said workman had not made any false declaration regarding the services of his close relative, still as per this appointment letter dated 1-10-1980, the Bank management were entitled to terminate the services of the workman as his appointment was purely on temporary basis and his services were liable to be terminated at any time without assigning any reason therefor.

13. According to the workman, he was in the permanent service of the Bank. However, on this point there is absolutely no documentary evidence on record. Therefore, the Bank management was quite justified in terminating the services of the temporary messenger, i.e., the workman in the present case without assigning any reason or without giving any notice of termination of his services.

14. The workman Shri Rathod stated in his affidavit that his statement regarding the services of his relative was obtained by the Bank management by force. However, no such statement was made by him in his statement of claim, and therefore, the said statement of the workman in his affidavit cannot be accepted.

15. Shri K. M. Mehta, who was officiating as a Branch Manager during the period in question, filed his affidavit

at Ex. M-17, in support of the case of the Bank management, in which he stated that the Bank had received a letter from the Central Office Madras, dated 5-5-1981 that the necessary declaration regarding the services of a close relative of the workman in the Bank be obtained, that he, as an officiating Branch Manager, had explained to the workman as to who are considered as close relatives, and thereafter the workman Shri Rathod submitted a declaration on 20-5-1981 that he had no relatives then serving in the Bank. Thereafter, the workman made another declaration dated 4-7-1981. Therefore, the statement of the workman that the declaration was obtained from him by the Bank management by force, cannot at all be accepted. The workman is bound by the rules and regulations of the Bank management, and not by the practice of his community. Therefore, as the workman had a close relative, i.e. brother-in-law then already serving in that Bank, and as the said workman was then appointed as a temporary messenger only, as per the rules and regulations of the Bank, the said workman could not be continued in service, and the said Bank management was quite justified in terminating the temporary services of the workman.

16. According to the Bank management, after the service of the workman was terminated, he kept quiet and waited for 3 years, and thereafter the present reference has been made by the Central Government 4 years after the termination of the services of the said workman, and as such it is not tenable in law. However, no time limit has been fixed under the Industrial Disputes Act, 1947, to make a reference by the Central Government. Apart from that, the workman stated on page No. 7 of his affidavit thus :—

"After his services were terminated, he had filed the case before the Assistant Labour Commissioner Rajkot in 1981, and thereafter with the Assistant Labour Commissioner Adipur, and a legal notice was already served on the Bank management in November 1981."

Thus, the workman was active since the beginning in taking the necessary steps challenging the termination of his services by the Bank management. Therefore, I find that the present reference is quite tenable in law. As noted above, the workman did not accept his termination and he continued challenging it. The termination of the services of the workman is as per the rules, regulations and the circulars of the Bank management, and as such, it was valid and legal. The workman had stated in his declaration dated 20-5-1981 that he had no close relative then working in the Bank. Thereafter, he admitted that Shri D. M. Sumra was then in the service of the Bank, and he was his brother-in-law, and this fact was admitted by the workman by his declaration dated 4-7-1981. As such, as the workman had suppressed the information regarding his close relative in the Bank, and as the workman was appointed in the Bank's service as a temporary messenger only, as per the terms and conditions of the appointment order, the Bank management was quite entitled and justified in terminating the services of the workman without assigning any reason and without giving any notice to him.

17. My attention was drawn on behalf of the Bank management to the case between T. R. Balaji V/s. The Management of Indian Bank of the High Court of Madras reported in 1989 I LLJ page 421. In that case, there was non disclosure about the employment of the father's step-brother in service of the Bank in the employment form of the workman, and as such, the services of the workman were terminated on that ground. It was held therein that such termination was just, legal and proper, and it was not by way of punishment. In the present case also the services of the workman have been terminated on the ground that he did not disclose about the service of his brother-in-law in that Bank. In result, the termination of the services of the workman by the Bank management is quite just, proper and legal, and the workman is entitled to no relief. Issues Nos. 1 to 8 are found accordingly.

18. In the result, the following Award is passed.

#### AWARD

The action of the Management of Indian Overseas Bank, Food Grain Market, Bhavnagar in terminating the services

of Shri N. K. Rathod Ex-Messenger is quite just, legal, and proper.

19. The parties to bear their own costs of this reference.

#### ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (NO. 2) AT DHANBAD

PRESENT :

Shri B. Ram, Presiding Officer.

REFERENCE NO. 87 OF 1991

In the matter of an industrial dispute under Section 10(1)(d) of the I.D. Act, 1947.

PARTIES :

Employers in relation to the management of Allahabad Bank, Patna and their workmen.

APPEARANCES :

On behalf of the workmen.—Shri Arun Kumar, General Secretary, S.S.A.B.E.U.

On behalf of the employers.—Shri M. S. Rai Sharma, Dy. General Manager.

STATE : Bihar

INDUSTRY : Banking

Dated, Dhanbad, the 20th January, 1992

#### AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-12012/329/90-I.R.(B-II), dated, the 5th April, 1991.

#### SCHEDULE

"Whether the action of the management of Allahabad Bank in terminating the service of Shri Sunil Kumar Singh Peon-cum-Farash of Samastipur branch w.e.f. 1-8-88 is justified? If not, to what relief is the workman entitled?"

2. In this case both the parties appeared but only the workmen filed their written statement. Thereafter several

adjournments were granted to the employers for filing their W. S. Then the case proceeded along its course. Subsequently on the date fixed for filing W.S. by the employers, both the parties appeared before me and submitted a joint petition under their signature praying to pass a 'No dispute' Award.

3. Since the dispute in question has been settled out of Court and now there is no dispute existing between the workmen and the employers, I am constrained to pass a 'No dispute Award' in the circumstances.

#### ANNEXURE

INDUSTRIAL TRIBUNAL, ORISSA, BHUBANESWAR  
Industrial Dispute Case No. 6 of 1980 (Central)

Bhubaneswar, the 20th January, 1992

#### BETWEEN

The management of M/s. Jiling Longalota Iron Mines of M/s. S. Lal & Co. Ltd., Barbil (subsequently re-named as M/s. Essel Mining & Industries Ltd.)

...First-Party—  
Management.

#### AND

Their workmen Sri Mohabir Tanty & Mohan Tanty represented through North Orissa Workers Union, P.O. Rourkela-12, District Sundergarh.

...Second Party—  
Workmen.

#### APPEARANCES :

Sri K. K. Sengupta, Legal Asstt.—For the first party—management.

Sri B. S. Pati, General Secy. of the Union—For the second party—workmen.

#### AWARD

This reference has been made by the Central Government u/s 10(1)(d) of the Industrial Disputes Act, 1947 (14 of 1947) to adjudicate as to whether the denial of employment to Sri Mohabir Tanty and Mohan Tanty, Ore Checkers by the management of Jiling Longalota Iron Mines of M/s. S. Lal & Co. Barbil is justified.

2. It is needless to state the respective cases of the parties as because in an earlier order dated 7th March, 1987 passed by this Tribunal the same have been referred to. However,

while passing the said order the reference in question could not be answered because evidence was lacking as to whether the affected two workmen had been gainfully employed after their job had been done away with. So, both the parties were called upon to adduce evidence on the question of gainful employment. In the said order it was held that both the affected workmen being employees were refused employment by the management. Having observed thus, this Tribunal also held the proceeding to be maintainable. In view of such findings, it is now to be decided from the evidence on record as to whether refusal of employment to the above-named two workmen is justified and if not, to what relief they are entitled to.

3. Both the workmen in their evidence would depose that they were removed from their services when they demanded wages at the enhanced rate. After removal, they also approached the Manager and requested him orally to take them in service but it was to of no effect. This part of their evidence could not be shaken by the management during cross-examination.

4. On a scrutiny of the evidence, I am of the opinion that both the workmen for no fault of theirs had been illegally removed from their services by the management.

5. Coming to the next question as to whether those two workmen had been gainfully employed after removal from service, I find in the evidence of Mohan Tanty, one of the workmen that since removal from service both of them have not been employed else-where. This evidence of his has remained unchallenged.

6. In view of my discussions made above, I conclude that the management of M/s. S. Lal & Co. which has been subsequently re-named as M/s. Essel Mining & Industries Ltd. removed both the workmen from their services illegally and unjustifiably and therefore, they be reinstated in service with full back wages from 3rd October, 1979 i.e. the date of removal from service. This award shall be given effect to within three months from the date of publication in the official Gazette.

7. The earlier order passed by this Tribunal on 7th March, 1987 be treated as part of this Award.

Dictated & corrected by me.

R. K. DASH, Presiding Officer

COPY OF THE ORDER DT. 7th MARCH, 1987 PASSED BY THE PRESIDING OFFICER, INDUSTRIAL TRIBUNAL, ORISSA, BHUBANESWAR IN INDUSTRIAL DISPUTE CASE NO. 6 OF 1980 (CENTRAL)

#### ORDER

1. This is a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947 made by the Central Government for adjudication of the dispute vide order No. L-26011/4/80-D.III.B dated 25th July, 1980. The schedule of reference is as follows:

"Whether denial of employment to S/Shri Mohabir Tanty and Mohan Tanty, Ore Checkers by the Management of Jiling Longalota Iron Mines of M/s. S. Lal & Co. Ltd., Barbil is justified?"

2. The workmen namely Mohabir Tanty and Mohan Tanty claim to have been the Ore checkers under the Management. Their case is that they were working under the Management as such since the year 1974. They demanded revision of their wage rate and for other facilities as applicable to the establishment. The Management without considering their grievances denied them work with effect from 3rd October, 1979. They represented to the higher authority of the Management against the illegal action of the Manager. When no action was taken, they raised the present dispute. The Management did not attend the conciliation proceedings on the ground that they would not sit with the unrecognised union representatives. The Labour Enforcement Officer (Central), Barbil enquired into the employment and wage rates of the workmen on 2nd December, 1979 in presence of the witnesses and found that they were working for 4-1/2 years and were getting Rs. 4 per day. The copy of the enquiry report has been enclosed as Annexure-I.

3. The Management's stand is that the order of reference made at the instance of the North Orissa Workers' Union

is not maintainable. This Union is a foreign Union and is not a representative Union of the Company's workers. The workmen in question were at no point of time in the employment of the Management and the question of refusal of their employment by the Management at any time does not arise. In the early part of the year 1979 when the North Orissa Workers' Union had raised the dispute with the Management, the Management vide its letter dated 19th October, 1979 had categorically stated and denied that the workers named by the said Union had at no point of time been in their employment. The other allegations made in the written statement by the workmen have been denied.

4. The first question that arises for consideration in this case is whether the two workmen were under the employment of the Management. In this connection we have the evidence of the two workmen and one Labour Enforcement Officer for the workmen and the evidence of the Ex-Manager for the Management. The workman Mohabir Tanti says that he was working as Ore-checker of the Management with effect from 19th October, 1974 on a daily wage of Rs. 4. His duty was to see whether or not the packing was done properly by the workers. He also used to make a note of it in the note book supplied by the First Party—Management. He has further stated the Mines Manager and the Mines Foreman used to check the entries in the note book at interval. On the basis of the entries in the note book, entries were made in the measurement book. He has proved the signature of the Asstt. Mines Manager Shri Bhattacharya vide Exts. 1/1 and 1/2. He says that he was removed from service on 3rd October, 1979. It has been brought out in his cross-examination that no appointment letter was issued to him. Mohan Tanti (the second workman) says that he was also working as Ore-checker with effect from 10th May, 1974 on a daily wage of Rs. 4. He also used to check the packing box of iron ore. This witness claims to have made note of his checking in the note book (Ext. 2). According to him also the note books were also checked by the Officer S. K. Bhattacharya, Asstt. Manager. He proves the signature of the Officer as Exts. 2/1 and 2/2. His further evidence is that when he demanded wages at the enhanced rate, the employment was refused to him on 3rd October, 1979. This witness has also proved the Challan book supplied to him by the Company where he had himself issued the challan vide Ext. 3. Nothing substantial has been brought out in the cross-examination of this workman to discredit his evidence that he was a workman under the Management. The Labour Enforcement Officer says that on receiving a complaint from the North Orissa Workers' Union he enquired into the complaint on 2nd December, 1979 in the presence of the workmen and the Manager. He has proved the paper (Ext. 4) which he called as a report. Ext. 4 would show that the Labour Enforcement Officer took the statement of the workman Mohabir Tanti and the two witnesses namely Madhu Munda and one Manmohan Singh, the attendance clerk. This document does not as such prove that Mohabir Tanti was a workman under the Management. In view of the evidence of the two workmen and the two note books as also the challan book it was for the Management to adduce sufficient rebuttal evidence to suggest that the two workmen never worked under the Management. One ex-manager of the Company has denied the issue of Exts. 1, 2 and 3 by the Company. From the very entries made in Exts. 1, 2 and 3 this were denied by the ex-manager that they were never issued by the Company is not acceptable. This witness in his cross-examination has admitted that 'B' Register maintained by the Company would show as to who were its workers. That register has not been produced. No other register or record is also produced by the Company to negative the claim of the workmen that they were under the employment of the Company. On a consideration of both oral and documentary evidence adduced by the parties I am inclined to hold that the two workmen were under the employment of the Company.

5. Both the workmen have stated that they were refused employment by the Company. It is the case of the Management that the question of refusal of employment does not arise in as much as the workmen were never under its employment. Having held that the workmen were under the employment of the Company it must be held that the Company refused employment as alleged.

6. The next question is about the maintainability of the reference. The case of the Management is that the North Orissa Workers Union is a foreign Union and is not the representative of the workmen. It is also said to be a Union not recognised by the Company. On behalf of the workmen no evidence has been adduced to show that these two workmen were also members of the North Orissa Workers Union. It cannot therefore, be said that the Union could have espoused their cause. But the fact remains that this is a dispute as mentioned in the reference between the employer and the workmen. As provided in Section 2(a) of the Industrial Disputes Act, the workmen in case of denial of employment could raise their dispute individually and as such the dispute can not be said to be not an industrial dispute. The reference is therefore maintainable.

6. While considering the question of relief it is seen that the parties have neither pleaded nor adduced any evidence as to the gainful employment of the workmen during the period in question. I would, therefore, before finally disposing the matter call upon the parties to adduce evidence on the question of gainful employment. Inform both the parties. Transcribed to my dictation and corrected by me.

New Delhi, the 30th January, 1992

S.O. 655.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Central Government Industrial Tribunal Calcutta as shown in the Annexure in the Industrial Dispute between the employers in relation to the management of Calcutta Port Trust and their workmen, which was received by the Central Government on the 28-1-92.

#### ANNEXURE

#### CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT CALCUTTA

Reference No. 140 of 1988

#### PARTIES :

Employers in relation to the management of Calcutta Port Trust.

AND

Their workmen.

#### APPEARANCES :

On behalf of management.—Mr. P. Roy, Deputy Labour Adviser and Industrial Relation Officer.

On behalf of workmen.—Mr. R. C. Nandi, Joint General Secretary of the Union.

STATE : West Bengal

INDUSTRY : Port.

#### AWARD

By order No. L-32012/2/87-D.IV(A) dated 9-12-1987, the following disputes were referred for adjudication before this Tribunal by the Government of India, Ministry of Labour :

"Whether the action of the Calcutta Port Trust, Calcutta of deferring a grade increment for a year on 22-3-85 without cumulative effect i.e. Shri Chanchal Kumar Banerjee, Security Guard, chargesheeted on 5-8-70, represented by Calcutta Port & Dock Workers' Union, 27-B, Karl Marx Sarani, Calcutta-700023, is proper and justified? If not, to what relief the workman is entitled?"

2. After the pleadings were completed, evidence was led by the parties and it was the case of the employee concerned, represented by the Calcutta Port and Dock Workers' Union (hereinafter called as the said Union), that he was employed as a guard in the Port Security Organisation under the Secretary of that department of the Calcutta Port Trust, which organisation will hereafter be referred to as the said Trust.

3. It was stated by the said union that the Secretary of the said Trust, as disciplinary authority, issued a charge sheet (Ext. M-1) bearing No. WW/29A/Genl/440 dated August 5, 1970, against the employee concerned, on the allegations that he gave contradictory statements in a case against one Sri Deba Prasad Batbayan, a workman, in the enquiry, in which one Sri T. P. Gupta, Inspector of the Port Security Organisation was appointed as Enquiry Officer, for enquiring into the matter and to give his findings. The employee concerned denied the allegations as levelled against him, by his reply dated September 16, 1970 (Ext. M-2).

4. It has been pointed out that after a lapse of 15 years, a Security Officer of the Trust, by his letter dated March 22, 1985 (Ext. M-8), informed that he was directed to inform the employee concerned that the charge as drawn against him in terms of the charge-sheet Memorandum as mentioned earlier, was proved and consequently, his grade increment was deferred for one year without cumulative effect. Against such, action, the employee concerned by his representation dated June 14, 1985 (Ext. M-9), took serious exceptions to the punishment as sought to be imposed, alleging inter alia against amongst others, that since a long time has passed after the appointment of the Enquiry Officer in 1970, he was not in a position to remember whether any enquiry had taken place or any proceedings recorded therein, he was not given any scope of self defence, he was not informed either by the Enquiry Officer or by the Disciplinary Authority, during the long spell of 15 years, that he was found guilty of the charges levelled against him earlier and the said Disciplinary Authority did not propose any punishment against him nor he was ever asked to show cause, why the concerned punishment should not be imposed on him, apart from indicating that since the Management was pleased to give him annual increment during these 15 years, having found his work and conduct good and satisfactory, the subsequent action as taken, was not due, just and proper. In such circumstances it was also claimed that the subsequent punishment as proposed, was mala fide, void and bad in law.

5. On such stand, which was sought to be considered as an appeal, the authorities informed the employee concerned that the same was placed before the Chairman, as Appellate Authority and he has ordered that the appeal against punishment as awarded by the Disciplinary Authority, should be rejected.

6. There is no doubt that after all these, the said Union took up the cause and after necessary conciliation proceedings, which ended with a failure report, the present reference was made.

7. It was claimed by the said Union that in the instant case, the said Trust has violated Rule 10(ii)(b) of the Calcutta Port Commissioner's Employees (Discipline and Appeal) Rules 1964 (hereinafter referred to as the said Rules). It was submitted, the Secretary of the said Trust, in terms of the said Rules, being the Head of the Department, was the Disciplinary Authority and as such, the chargesheet memorandum as submitted and considered by the Deputy Chairman of the said Trust, as would appear from Ext. M-7, was unauthorised, as he had no jurisdiction to act as such Disciplinary Authority and to impose punishment on the employee concerned. It was further submitted that in terms of Rule 17(iv) of the said Rules, the Deputy Chairman of the said Trust was the Appellate Authority and not the Disciplinary Authority in this case and so, the power exercised by him, as Disciplinary Authority was illegal and in contravention of the said Rules, as a result whereof, the action as proposed to be taken by him, was absolutely void and irregular.

8. It was also indicated, that the employee concerned, in his representation categorically stated that he was not

given any opportunity of defending himself and as such, he could not utilise the services of a defence helper, which was essential, since he was a Class-IV employee. As such also, it was claimed that there was violation of the principles of natural justice.

9. The said Union has referred to the following submissions :

- (a) that after the appointment of the Enquiry Officer in 1970, he could not remember that any enquiry had taken place or any proceedings recorded.
- (b) that he was not given any scope of self-defence.
- (c) that he was not informed either by the Enquiry Officer or by the Disciplinary Authority during the long spell of last 15 years that he was found guilty of the charge drawn against him.
- (d) that the Disciplinary Authority did not propose any punishment against him nor he was ever asked to show cause as to why the said order of punishment should not be imposed on him.
- (e) that the management was pleased to give him the annual grade increments during the last 15 years after certifying that his work and conduct were good and satisfactory. It was presumed by him that his statement dated 16-9-1970 was considered satisfactory by the management and that was why the management had not taken any action against him and allowed 15 annual grade increments thereafter and no action was ever proposed during these 15 years.
- (f) that in view of the position explained above, he stated that the order of punishment stood mala fide, immaterial and void and therefore bad in law and prayed that he should not be made a victim of an order which was bad in law, which according to them were placed before in the conciliation meeting and they have thus alleged that it was evident, that the Enquiry Officer, for some reason or other could not proceed with the Disciplinary Proceeding against the employee concerned and in fact, the order of the Deputy Chairman that the disciplinary proceeding was to continue against the employee concerned, did not, really see the light of the day. It was stated that in fact, no such enquiry ever took place after the order was made as aforesaid by the Deputy Chairman and even if there was such of any enquiry, that remained inconclusive.

10. It was also indicated that the enquiry was not processed from August 5, 1987 till one Shri Jagar Tewari, who also worked as Watchman, retired in or about 1984 and which fact was practically confirmed in the conciliation proceedings, and it was claimed that it may thus safely be deduced that the case of Shri Tewari, was also involved in a common proceedings and that too, for making contradictory statements in the disciplinary case against Shri Batbayan in 1970. It has been alleged that the enquiry was kept pending from 1970 to 1984, in order to facilitate the said Shri Tewari to retire. So, it was further alleged that the said Trust followed a double standard in the instant case, which was not permissible in law and under the said Rules.

11. It was thus claimed by the said Union that since no enquiry took place in the instant case, with due and reasonable opportunities to the employees concerned, to have his defence established or any findings of the Vigilance Officer were communicated to him and no punishment was proposed by the Disciplinary Authority, before imposition of penalty on March 22, 1985, the proceeding as initiated and concluded was highly illegal, improper and bad and all the actions as taken, were contrary to the provisions of the said Rules and natural justice.

12. In such circumstances, it was prayed that the action of the said Trust, in deferring a grade increment to the employee concerned for one year even without cumulative effect, should be deemed to be improper, unjust and unlawful and it should be held that he was entitled to full reliefs, with all necessary and ancillary benefits.

13. There is no doubt that the said Trust is a body corporate, governed by the Port Trust Act, as amended and the Board of Trustees of the said Trust, are vested with the administration, control and management of the affairs of the said Trust. There is also no dispute that the Secretary's Department as headed by the Secretary of that department, is one of the departments of the said Trust and the Security Organisation functions under him and he is mainly responsible for the safety and security of the Trust properties. There is also no doubt and as would appear from the pleadings, that the said Rules govern and regulate discipline of the employees of the said Trust.

14. In the written statement, the said Trust has claimed that on August 22, 1968, the employee concerned, being a workman of the Port Security Organisation, was detailed for duty at Shalimar Railway Yard in the second shift from 14 to 22 hours, when the aforementioned Shri Batabayal and another watchman was also on duty at Shalimar Jetty No. 2. It has been stated that Shri Batabayal, during duty hours, left his duty post and started playing cards with some outsiders in the Shalimar godown and the employee concerned witnessed the same and in course of the preliminary fact finding enquiry against Shri Batabayal he gave a statement (Ext. M-3), to the effect that he witnessed Shri Batabayal playing cards with some outsiders at the relevant time. It was also stated that on such basis, disciplinary proceeding was initiated against Shri Batabayal, but during the course of enquiry, the employee concerned, as a prosecution witness, however gave a contradictory statement to the effect that Shri Batabayal was found sitting close to the outsiders, who were playing cards and no card was seen in his hand. It has been stated that since there were contradictory statements as mentioned hereinbefore, it was decided to initiate disciplinary proceeding against the employee concerned on the following charges "that the said Chanchal Kumar Banerjee while functioning as a Watchman under the Chief Security Officer (W&W), CPC, committed misconduct in as much as he gave contradictory statement on 29-4-1969 as a prosecution witness in the departmental enquiry held against Shri Deba Prosad Batabayal, Watchman, Belt No. 487 vide case No. WW/29A/Genl./402 dated 14-11-1968 with ulterior motive." and on August 5, 1970, a chargesheet (Ext. M-1) alongwith charge and statements of allegations, was issued to him, directing him to reply to the same by August 28, 1970. The employee concerned replied to the chargesheet on September 15, 1970 (Ext. M-2) and his defence as taken have already been indicated earlier.

15. It appeared that on receipt of the said reply, the Board's Deputy Chairman, being the Disciplinary Authority, in his minutes dated November 16, 1984, agreed that on comparison of the recorded statements, it would show whether he contradicted his statement and on going through the available documents, such contradiction was found to be established and as such, he observed that charges levelled against the employee concerned, with reference to the concerned records were proved and thus, passed the impugned order.

16. It has been stated that the appeal as preferred against such order, was duly considered by the Appellate Authority i.e., the Chairman of the said Trust and the same was rejected, considering the gravity of the offence and indicating that the punishment inflicted, no doubt was a mild one and that perhaps happened, since the long time gap as mentioned earlier, was taken into account. The said order, it has been stated, was communicated, not only to the said employee but also to the said Union.

17. On such, a dispute, as indicated earlier, was sought to be raised by the said Union and ultimately the reference in the form as indicated, was made.

18. The Rules which are considered to be relevant on the basis of the pleadings of the parties are as under :

#### "9. Nature of penalties

The following penalties may, for good and sufficient reasons and as hereinafter provided, be imposed on an employee, namely :—

- (i) censure ;
- (ii) withholding of increments or promotions ;

- (iii) recovery from pay of the whole or part of any pecuniary loss caused to the Commissioners by negligence or breach of orders ;
- (iv) reduction to a lower grade or post, or to a lower time-scale, or to a lower stage in a time-scale ;
- (v) compulsory retirement ;
- (vi) removal from service which shall not be a disqualification for future employment ;
- (vii) dismissal from service which shall ordinarily be a disqualification for future employment.

#### Explanations :—

(1) The following shall not amount to a penalty within the meaning of this rule :—

- (i) withholding of increments of an employee for failure to pass a departmental examination in accordance with the rules or orders governing the post of the terms of his employment ;
- (ii) stoppage of an employee at the efficiency bar in the time-scale on the ground of his unfitness to cross the bar ;
- (iii) non-promotion whether in a substantive or officiating capacity of an employee after consideration of his case, to a grade or post for promotion to which he is eligible ;
- (iv) reversion to a lower grade or post of an employee officiating in a higher grade or post on the ground that he is considered, after trial, to be unsuitable for such higher grade or post on administrative grounds unconnected with his conduct ;
- (v) reversion to his permanent grade or post of an employee appointed on probation to another grade or post during or at the end of the period of probation in accordance with the terms of appointment or the rules and orders governing probation ;
- (vi) replacement of the services of an employee, whose services have been borrowed from the Central Government or a State Government or an authority under the control of any such Government, at the disposal of the authority which had lent his services ;
- (vii) compulsory retirement of an employee in accordance with the provisions relating to the superannuation or retirement ;
- (viii) termination of the services—
  - (a) of an employee appointed on probation, during or at the end of the period of probation, in accordance with the terms of his appointment or the rules and orders governing probation ; or
  - (b) of a temporary employee in accordance with the terms of his appointment or relevant rules applicable to him ; or
  - (c) of an employee employed under an agreement in accordance with the terms of such agreement.

2. The punishment mentioned in clause (ii) of rule 9 above is subject to the provisions of the Payment of Wages Act, 1936, and the Minimum Wages Act, 1948.

#### 10. Disciplinary Authorities

Subject to the provisions of the Act,

- (i) the Commissioners-in-meeting may impose any of the penalties specified in rule 9 on any employee ;
- (ii) without prejudice to the provisions of sub-rule (i)—
  - (a) the Chairman or the Deputy Chairman may impose any of the penalties specified in rule 9 on an employee other than an employee holding a Class-I post ;
  - (b) the Head of a Department may, where he is the appointing authority by virtue of delegation, im-

pose any of the penalties specified in clauses (i), (ii), (iii) and (iv) of rule 9 on an employee of his Department holding a post the monthly maximum salary of which exclusive of allowances, does not exceed Rs. 350.

#### 11. Procedure for imposing major penalties :

- (1) Without prejudice to the provisions of the Public Servants (Inquiry) Act, 1850, no order imposing on an employee any of the penalties specified in clauses (iv) to (vi) of rule 9 shall be passed except after an enquiry held, as far as may be, in the manner hereinafter provided.
- (2) The Disciplinary Authority shall frame definite charges on the basis of the allegation on which the enquiry is proposed to be held. Such charges, together with a statement of allegations on which they are based, shall be communicated in writing to the employee and he shall be required to submit within such time as may be specified by the Disciplinary Authority—
  - (a) to such authority, or
  - (b) where a Board of Enquiry or Enquiring Officer has been appointed under sub-rule (3) below, to that Board or Officer,
 a written statement of his defence and also to state whether he desires to be heard in person.
- (3) The Disciplinary Authority may enquire into the charges itself or, if it considers it necessary so to do, it may, either at the time of communicating the charges to the employee under sub-rule (2) above, or at any time thereafter, appoint a Board of Enquiry or an Enquiring Officer for the purpose.
- (4) The employee shall, for the purpose of preparing his defence, be permitted to inspect and take extracts from such official records as he may, specify, provided that such permission may be refused if, for reasons to be recorded in writing, in the opinion of the Disciplinary Authority such records are not relevant for the purpose or it is against the Commissioners' interest to allow him access thereto.
- (5) On receipt of the written statement of defence, of if no such statement is received within the time specified, the Disciplinary Authority, or as the case may be the Board of Enquiry or the Enquiring Officer may enquire into such of the charges as are not admitted.
- (6) The Disciplinary Authority may nominate any person to present the case in support of the charges before the Enquiring Authority. The employee may present his case with the assistance of any other employee, but may not engage a legal practitioner for the purpose unless the person nominated by the Disciplinary Authority as aforesaid is a legal practitioner or unless the Disciplinary Authority having regard to the circumstances of the case, so permits. An employee holding a Class III or Class IV post may, however, also present his case, if he desires, with the assistance of any representative of recognised Labour Unions, who is not himself an employee of the Commissioners.

(Original sub-rule (6) amended vide Government of India, Ministry of Transport letter No. 9-PE(1)/65 dated the 13th May, 1965)

- (7) The Enquiring Authority shall, in the course of the enquiry, consider such documentary evidence and take such oral evidence as may be relevant or material in regard to the charges. The employee shall be entitled to cross-examine witnesses examined in support of the charges and to give evidence in person. The person presenting the case in support of the charges shall be entitled to cross examine the employee and the witnesses examined in his defence. If the Enquiring Authority declines to examine any witness on the ground that his evidence

is not relevant or material, he shall record his reasons in writing for so doing.

- (8) At the conclusion of the enquiry, the Enquiring Authority shall prepare a report of the enquiry, recording its findings on each of the charges together with reasons therefor. If in the opinion of such Authority the proceedings of the enquiry establish charges different from those originally framed it may record findings on such charges provided that findings on such charges shall not be recorded unless the employee has admitted the facts constituting them or has had an opportunity of defending himself against them.
- (9) The record of enquiry shall include :—
  - (i) the charges framed against the employee and the statement of allegations furnished to him under sub rule (2) ;
  - (ii) his written statement of defence, if any ;
  - (iii) the oral evidence taken in the course of the enquiry ;
  - (iv) the documentary evidence considered in the course of the enquiry ;
  - (v) the orders, if any, made by the Disciplinary Authority and the Enquiring Authority in regard to the enquiry ; and
  - (vi) a report setting out the findings on each charge and the reasons therefor.
- (10) The Disciplinary Authority shall, if it is not the Enquiring Authority, consider the record of the enquiry and record its findings on each charge.
- (11) (i) If the Disciplinary Authority, having regard to its findings on charges, is of the opinion that any of the penalties specified in clauses (iv) to (vii) of rule 9 should be imposed, it shall—
  - (a) furnish to the employee a copy of the report of the Enquiring Authority and, where the Disciplinary Authority is not the Enquiring Authority a statement of its findings together with brief reasons for disagreement, if any, with the findings of the Enquiry Authority ; and
  - (b) Give him or cause to be given to him a notice stating the action proposed to be taken in regard to him and calling upon him to submit within a specified time such representation as he may wish to submit against the proposed action.
- (Original sub-rule (11) of rule 11 amended vide Government of India, Ministry of Transport letter No. 9-PE(256)/65 dated the 9th November 1965).
- (ii) The Disciplinary Authority shall consider the representation, if any, made by the employee in response to the notice under clause (i) and determine what penalty, if any, should be imposed on the employee and pass appropriate orders in the case.
- (12) If the Disciplinary Authority having regard to its findings is of the opinion that any of the penalties specified in clauses (i) to (iii) of rule 9 should be imposed, it shall pass appropriate orders in the case.
- (13) Orders passed by the Disciplinary Authority shall be communicated to the employee who shall also be supplied with a copy of the report of the Enquiring Authority and, where the Disciplinary Authority is not the Enquiring Authority a statement of its findings together with brief reasons for disagreement, if any, with the findings of the Enquiring Authority, unless they have already been supplied to him.

#### 12. Procedure for imposing minor penalties.

- (1) No order imposing any of the penalties specified in clauses (i) to (iii) of rule 9 shall be passed except after—

- (a) the employee is informed in writing of the proposal to take action against him and of the allegations on which it is proposed to be taken and given any opportunity to make any representation he may wish to make ;
- (b) such representation, if any, is taken into consideration by the Disciplinary Authority ;
- (2) The record of proceedings in such cases shall include—
  - (i) a copy of the intimation to the employee of the proposal to take action against him ;
  - (ii) a copy of the statement of allegations communicated to him ;
  - (iii) his representation, if any, and
  - (iv) the orders on the case together with the reasons therefor.

#### 14. Special Procedure in certain cases.

Subject to the provisions of the Act and notwithstanding anything contained in rules 11, 12 and 13.

- (i) Where a penalty is imposed on an employee on the ground of conduct which has led to his conviction on a criminal charge ;  
OR
- (ii) where the Disciplinary Authority is satisfied for reasons to be recorded in writing that it is not reasonably practicable to follow the procedure prescribed in the said rules and the approval of the Commissioners has been obtained ;  
OR
- (iii) where the Disciplinary Authority is satisfied that in the interest of the security of the State or the Port of Calcutta it is not expedient to follow such procedure ;

the Disciplinary Authority may consider the circumstances of the case and pass such orders as it deems fit.

#### 23. Consideration of appeals :

- (1) In the case of an appeal against an order of suspension, the appellate authority shall consider whether in the light of provisions of rule 8 and having regard to the circumstances of the case the order of suspension is justified or not and confirm or revoke the order accordingly.
- (2) In the case of an appeal against an order imposing any of the Penalties specified in rule 9, the appellate authority shall consider—
  - (a) whether the procedure prescribed in these rules has been complied with and, if not, whether such non-compliance has resulted in violation of any provisions of the Constitution or in failure of justice ;
  - (b) whether the findings are justified ; and
  - (c) whether the penalty imposed is excessive, adequate or inadequate ;

and pass orders—

- (i) setting aside, reducing, confirming or enhancing the penalty ; or
- (ii) remitting the case to the authority which imposed the penalty or to any other authority with such directions as it may deem fit in the circumstances of the case ;

Provided that—

- (i) no order imposing an enhanced penalty shall be passed unless the appellant is given an opportunity of making any representation which he may wish to make against such enhanced penalty ;
- (ii) if the enhanced penalty which the appellate authority proposes to impose is one of the penalties specified in clauses (iv) to (vii) of rule 9, and on enquiry under rule 1 has not already been held in the case, the appellate authority shall, subject to the provisions of rule 14, itself hold such enquiry or direct

that such enquiry be held and thereafter on consideration of the proceedings of such enquiry and after giving the appellant an opportunity of making any representation which he may wish to make against such penalty, pass such orders as it may deem fit ; and

- (iii) the appellate authority shall not impose any enhanced penalty which neither such authority nor the authority which made the order appealed against is competent in the case to impose."

19. Shri Nandi, appearing for the said Union after placing the facts, stated that the punishment, in the instant case as was ultimately inflicted on the employee concerned after about 14 years, can be divided in two parts he stated, the first part of the proceedings will be upto 1970, when in a proceedings against Shri Batabyal, the employee concerned made a statement on 41th October 1968 (Ext. M-3) and the second part will be upto 1985, when punishment in question was inflicted. He pointed out that the charge-sheet in the instant case was issued on August 5, 1970 (Ext. M-1) which was duly replied to by the employee concerned on September 16, 1970. But nothing was done or no steps were taken till March 22, 1985, when by Ext. M-3, the employee was informed that the charge drawn against him, vide Charge-sheet Memorandum No. WW/29-A/Gen/440 dated August 3, 1970, was proved and his one Grade Increment was deferred without cumulative effect for a year. It was claimed by him that the said Trust has not been able to lead or show any acceptable evidence or give any explanation, for the delay and their silence for about 14 years, before inflicting the punishment.

20. Shri Nandi further claimed that such being the position, on the face of it, the proceedings was a stale one and as such, the same could not be proceeded with or any punishment inflicted on that basis, all the more so, when no enquiry at any stage, on the concerned charge-sheet, was held, which was necessary under Rule 14(4) of the Classification, Control and Appeal Rules and because of non-compliance of Clauses (a) and (b) thereunder. In support of his submissions as aforesaid, Shri Nandi referred to the case of E.S. Abithyoman Vs. Commissioner Hindu Religion and Charitable Endowment (Administration) Department, Madras, A.I.R. (1970) 170, which was a case under Article 311 of the Constitution of India, where pending disciplinary proceedings, the delinquent was promoted to a higher post and a final order of reversion was passed against him, without actually holding an enquiry and that too after a long lapse, and a Learned Single Judge of the Madras High Court, has held that such order could not be sustained.

21. It was further claimed by Shri Nandi that under Rule 10(e) of the said Rules, the authority which inflicted the punishment, on initiation of the proceeding, was not duly and legally authorised and as such, the entire proceeding was also vitiated. He pointed out that the authority in this case did not rest in the Deputy Chairman and he had no power to inflict any punishment and if at all, the authority to punish, was with the Head of the Department.

22. Shri Nandi argued that proceeding for imposing major penalty was initially held under Rule 11 of the said Rules as quoted earlier and sub-rule (2) of that Rule will show that definite charges are to be framed, which according to him, was not appropriately done in this case. He also submitted that under Rule 11(3), the disciplinary authority was to enquire into the charge itself and take appropriate steps, if at all, but in the instant case, there was violation of the rules, as the Secretary, who was the disciplinary authority did not enquire into the matter himself, but appointed Sri Gupta for that purpose. Such power of sub-delegation by the delegate, according to Sri Nandi is not envisaged by the said sub Rule. On a reference to Rule 11(6), which speaks of or contemplates reasonable opportunities of defending the case by the employee concerned, he submitted, was not actually afforded to the employee concerned. In short, he submitted that even under Sec. 21 of the Major Port Trust Act, the Deputy Chairman was not also the duly delegated authority in the case of the present nature, as such, he contended that the steps as taken or initiated and concluded in terms of exhibits M-5, M-6 and M-7 were incompetent.

23. It was further indicated by Shri Nandy, since this was really a case of joint enquiry along with the other employee Sri Tewari, but proceedings against him were dropped for reasons as indicated by him earlier, that will show the mala fide intention of the authority concerned. While on his submissions on the joint enquiry, Sri Nandy referred to rule 13 and he also agreed that proceedings for minor penalties were required to be initiated and completed and concluded under Rule 12 of the said rules and he said, in the instant case, the proceedings have not been taken under Rule 11, which deals with the imposition of major penalties or in terms of sub-rule thereunder.

24. Sri Nandy further indicated that in a case of the present nature, the Deputy Chairman of the said Trust was the appellate authority under Rule 17(iv) and to such submissions, which were duly made, the Chairman had not applied his mind duly in terms of Rule 23.

25. Sri Roy appearing for the said Trust, referred to the written statement of the said Union and admitted the case under consideration, was one of or for imposing minor penalties and as such he claimed that due steps were taken under the said rules before such imposition. He indicated that from Ext. M-1, it will appear, due opportunities were given to the delinquent and on the basis of the contents of Ext. M-3 and the subsequent stand as taken by the employee concerned, there was no departure of the rules and really on the basis of the admission of the employee concerned, there was no need or any necessarily for hearing him further.

26. It was claimed by Mr. Roy, this Tribunal will have to assess and consider first, what was the nature of penalty, which has been imposed and said that since only minor penalty was imposed, there cannot be any doubt that the authority which imposed the same, was duly authorised under the Rules. In support of his submissions, while on minor penalties, reference was made by Sri Roy to the case of Shadilal Gupta Vs. State of Punjab, 1971(1) LLJ 435, where, while dealing with Rule 3 of the Punjab Civil Services (Punishment and Appeal) Rules 1952, the Supreme Court has indicated that in a case of infliction of minor punishment, the delinquent employee will not be entitled to show cause notice against the proposed punishment and such being the position, it was the specific submission of Mr. Roy that since the punishment proposed in this case was really a minor one and the same was duly inflicted in terms of the said rules, so no case or any cause has been made out for interference by this Tribunal in this case.

27. It was pointed out by Sri Roy that rule 2(v) defines "Disciplinary Authority" in relation to the imposition of penalty on an employee as the authority competent under rules to impose on him that penalty and such being the position and since the penalty in the instant case was admittedly was of a minor one, so under Rule (ii) (a), the Chairman or the Deputy Chairman could impose on the employee concerned any of the penalties which includes a penalty of the present nature under rule 9 and thus there cannot be any doubt that imposition of penalty on the delinquent in this case, was duly made and done and that too after following the procedure for imposing minor penalties in terms of Rule 12 as quoted earlier.

28. It was submitted by Sri Roy that in terms of Rule 17 (iii), an appeal lay against any order made by the Deputy Chairman to the Chairman or the Commissioners in a meeting and that being the position, the appeal of the concerned employee was duly dealt with and disposed of and that too with the authority by the Chairman, as would appear from the records. Thus, Sri Roy contended that there was no need or any necessity of any interference by this Tribunal.

29. Sri Roy could not deny the enormous delay in disposing of the matter, but he submitted, on a reference to the case of Prathma Bank Muradabad Vs. Bijoy Kumar Goel & Anr., 1989(59) F.L.F. 601 that such delay, admitted cannot be the only cause for interference, when the circumstances for such delay admittedly appeared from and explained in Ext. M-5, which will show that since the enquiry as entrusted with Sri Tarapada Gupta was pending for a long time, it was decided on November 24, 1984, that Sri P. K. Chakraborty,

Officiating Security Officer, P.S.O. should enquire and forward his findings as early as possible. The said Ext. M-6 without any doubt shows that Jagat Tewari, who has retired on June 20, 1982, was proceeded with along with the delinquent, but ultimately the charge against him was dropped and the authority concerned opined that the charge against the present delinquent should also be dropped, but the entire matter was left for decision and approval of the Deputy Chairman and thereupon, admittedly, the charge against Sri Tewari was directed to be dropped and it was also directed that the disciplinary proceedings against the present delinquent, may continue. It was also indicated that since from the reply of this delinquent, it appeared that there were admitted contradictions in the two statements made by him, the particulars whereof have been indicated earlier, the Security Officer was to look into the documents and report, and on consideration of the evidence, if any final order was to be passed on perusal of the papers. There is no doubt and which will also appear from Exhibits M-6 and M-7 that on consideration of the report only and agreeing with that, the charge against delinquent, was found to have been proved and ultimately, the necessary order imposing penalty was issued. On the basis of the circumstances as disclosed, Sri Roy suggested that such admitted delay as happened in imposing penalty thereon be ignored and the minor penalty order could be passed and sustained. It was submitted by him, on a reference to the case of Joy Raman Vs. Superintendent of Police Erode & Anr, 1991 (2) LLJ 1991, which was a Division Bench Judgement of Madras High Court that since delay by itself would not be a ground to quash charges, so the admitted lapse in the matter of inflicting punishment on the delinquent, should not be interfered with. In that Division Bench Judgement, it has also been observed that it is possible for the delinquent employee to get the proceeding delayed with the help of the Enquiry Officer, to keep back the file in an office for certain length of time and thereafter, move the High Court and get very serious charges quashed by merely pointing out that there is a lapse of 4/5 years between the relevant dates. It has also been observed in that case that delay by itself would not be ground to quash the charges, unless it is shown that, after the completion of the proceeding, it has turned to be a factor, which has deprived the right of defence. In this case, to my mind, that determination, has no application, as here there is no evidence that the employee concerned was in any way responsible for holding back the proceedings or to delay the same and mere particularly when, the circumstances for which the Division Bench Judgement was made, are not available in this case and furthermore when, the employee concerned was not in any way responsible for keeping the proceedings alive or pending and he had no hand in the same.

30. Sri Roy contended that Central Civil Service Rules as relied on by Sri Nandy have no application to the said Trust and his submissions on the delegation, in terms of Major Port Trust have no relevance. He pointed out that the present case being admittedly one of imposition of minor penalty and under Rule 12, both the Chairman or the Deputy Chairman was authorised and entitled to pass the order of minor penalty under Rule 10(v) and as such, the punishment imposed by the Deputy Chairman, was due and proper and thus the appeal which lay to the Chairman under Rule 17(ii), was appropriately dealt with and disposed of by him.

31. After hearing the parties and the submissions as indicated earlier, I find that there was no complicity of the employee concerned to keep the matter of imposition of penalty or continuance of the proceedings in the cold storage for such a long time. I am also of the view that such belated proceedings and stale imposition of penalty as in this case, was not proper and in this case, not only for such defects, but also for admitted non-compliance with the principles of natural justice, the employee concerned should not suffer and thus, the punishment order should be set aside and consequently, the employee concerned should get an Award in his favour with all the necessary and ancillary benefits. I further agree with the submissions of Shri Nandy in reply, that the cases as cited by Shri Roy have no relevance and application to the facts of this case and they are distinguishable.

32. Thus the reference is allowed.

33. This is my Award.

Dated, Calcutta,

The 10th January, 1992.

New Delhi, the 4th February, 1992

S.O. 656.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award of the Industrial Tribunal Bhubaneswar, (Orissa) as shown in the Annexure in the Industrial Dispute between the employers in relation to the management of Paradip Port Trust, Paradip and their workmen, which was received by the Central Government on 3-2-92.

[No. L-33011/7188 D.IV(A)]

B. M. DAVID, Desk Officer

ANNEXURE  
INDUSTRIAL TRIBUNAL : ORISSA :  
BHUBANESWAR

Industrial Dispute case No. 1 of 1990 (Central)  
dated, Bhubaneswar, the 24th January, 1992

BETWEEN

The Management of Paradip Port Trust, Paradip  
Dist; Cuttack.

....First Party-  
management.

AND

Their workmen represented through Bharatiya  
Bandar Mazdoor Sangha, Ghanagolia, Para-  
dip Port, Cuttack.

...Second Party-  
workmen

APPEARANCES :

Sri H. K. Mohanty, Legal Officer, Paradip Port  
Trust.—For the First Party management.

Sri Jagannath Das, working President of the  
Union.—For the second party-Union.

AWARD

The Government of India in the Ministry of Labour, in exercise of the powers conferred upon them by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') have referred the following dispute for adjudication by this Tribunal

vide Order No. L-33011/7/85-D.IV(A) dated 29th December, 1989 :—

“Whether the 3 demands raised by the Bharatiya Bandar Mazdoor Sangh, Paradip Port on the management of Paradip Port Trust, Paradip (as contained in their charter of demands dated 8-6-84) are justified? If so, what relief are the workmen concerned entitled to?”

2. Shorn of all details, the case of the second party-workmen is that on 8-6-84 a charter of demands was submitted to the first party-management by their union requesting to fulfil the same within 45 days. Their demands being three in number are as follows—

(i) That the list of cargo handling workers-prepared by the Port Trust does not reflect the inter-se-seniority of the workers. Some of the juniors have been shown as seniors and seniors as juniors in consequence of which certain benefits which the seniors are entitled to as a matter of right have been denied to them;

(ii) Some workers who had been continuously working since beginning of the Port till 1980 have been arbitrarily omitted from the list of workers prepared by the Port Trust in 1980 under the Cargo Handling Scheme. Those workers who have been omitted from the main list are mentioned in annexure-I to the charter of demands and those workers who have been omitted from the stand-by list have been shown in annexure-II thereof;

(iii) Many old workers who have been put in the category of unlisted workers should have been put in the regular list.

According to the second party-workmen when the Paradip Port started functioning, the workers were being engaged through different contractors and stevedores. There was no systematic method of employment resulting labour unrest, intra-union rivalry which ultimately affected industrial peace and harmony. Though there is a legislation in 1980 known as Dock Workers (Regulation of Employment) Act applicable to Paradip Port but there is no Dock Labour Board at Paradip to implement the Scheme envisaged under law. However, in view of Section 42 of the Major Port Trust Act, 1963, which empowers the Board of Trustees of the Major Ports to undertake various services mentioned therein, the management of Paradip Port framed Cargo Handling Workers (Regulation of Employment) Scheme, 1979. As large number of workers were working under different contractors and Stevedores at the Port, all could not be accommodated under the said Scheme. After prolonged negotiation with different unions the following criteria were evolved for listing the labourers :—

(a) The various lists submitted by different contractors, Stevedores and unions at different times are to be evolved and a common list of workers is to be prepared;

(b) Persons whose names are in the common list but not working in the Port for more than one year will not be registered;

- (c) Seniority or length of work in the Port will be the criterion for listing in the main list. Verification regarding the period of work will be made from the records available with the contractors.

Again a final discussion was held between the parties on 15-3-79 and it was decided that the lists submitted by unions/stevedores shall be verified with the names of the labourers to whom dock-entry permits were issued by the C.I.S.F.. As the management failed to finalise the list effectively keeping in view the criteria evolved as aforesaid, several writs were filed in the Hon'ble High Court and finally the Hon'ble Court directed the Port authority to finalise the list by 7-5-80. It is urged that the aforesaid direction was not complied with by the management within the stipulated time.

The present affected workmen were working in the Port under various contractors and stevedores. However, to safeguard their own interest they formed an organisation known as 'Orissa Dock Workers Reserve Pool' (for short 'Reserve Pool'). The purpose behind the Reserve Pool was to supply labour force to various contractors and stevedores with a view to ensure payment of minimum wages to the workers. Accordingly, it supplied labours to Orissa Commercial Transport Corporation which was engaged in transport work from shore to ship and ship to shore and shed. Subsequently, the authorities of the Port Trust having agreed to provide transportation work to the Reserve Pool, directed it to engage the labourers who had been working in the Port under different contractors and to recruit outsiders only when the existing labourers were employed by the Reserve Pool. It issued emblems who had been working under different contractors were employed by the Reserve Pool. It issued employment card to the workers as per the direction of the Port Trust authority. After the cargo handling operation was taken over by the first party-management, the reserve pool submitted a list of workers employed by it for inclusion of their names in the list but due to manipulation and pressure by other unions most of the workers were excluded from the list. However, in pursuance to the order dated 7-4-80 passed by the Hon'ble Court in O.J.C. No. 157 of 1980, the first Party-management issued notices on 11-4-80 to the Reserve Pool to submit the names of its workers to be included in the lists. Accordingly, it submitted a list and urged to re-examine the lists already published but the management did take no action in that regard. The workers in the meantime formed a union known as "Bharatiya Bandar Mazdoor Sangh" which espoused the cause of those affected workers who were denied of employment by non-inclusion of their names in the main list as well as stand-by list. Accordingly, the union submitted a charter of demands which was admitted to conciliation and the conciliation having failed, the Central Government on considering the failure report made this reference for adjudication. It is urged by the second party-workmen that the names of those workers who are eligible to be enlisted in the main list but their claim has been turned down by the first party-management without any reason and rhyme should be included in the Cargo Handling Scheme and they be paid arrear back wages.

3. Refuting the claim of the second party-workmen, the first party-management has urged that the question of preparation of the list of the cargo handling workers has been fully and finally decided in 1980-81 and therefore, it is not open for the second party-workmen to raise the same after lapse of the years. It is further pleaded that in the settlement dated 25-4-85 the second party-workmen having admitted that their claim with the Paradip Port Trust had been settled, they are now estopped to raise the self-same issue in this Tribunal. In so far as the claims of the second party-workmen are concerned, it is stated that the existing workers in the main list as well as the subsidiary list are more than the actual requirement as recommended by the Abraham Committee appointed by the Government of India. More-over, when the demands have been made by the different unions controlling the existing cargo handling workers for complete decasualisation with a view to give them full benefits, the present demand/dispute is uncalled for. The demand for de-casualisation of the workers was the subject matter of dispute between the Port Trust and different unions in S.L.P. No. 3276 of 1987 before the Hon'ble Supreme Court. Having heard the parties the Hon'ble Court directed the Central Government to appoint a Committee of two experts with Hon'ble Justice H. R. Khanna (a Retd. Judge of the Supreme Court) as Chairman of the Committee to go into the matter and decide the controversy. In this view of the matter, there is no scope for adjudication of the present dispute.

Coming to the factual aspects of the case, it is the case of the management that after preparing the lists of the workers, an arrangement was made in consultation with two major unions and petitioners in O.J.C. No. 157 of 1980 for dividing them into different gangs. The list published in that regard did not reflect the seniority of the workers as because all the workers were taken into cargo handling scheme on a single date i.e. 16-2-80. So, the allegation of the workmen that one Sashi Bhusan Padhiary and Surendra Behera who were previously placed in gang No. 23 have been shifted to gang No. 43 in consequence whereof they have lost their seniority is not true. Moreover, the aforesaid two workmen since 1980 having not complained that they have been wrongly placed in gang No. 43, the Port Trust can not change the arrangement already made because it would lead to unsettle the settled working pattern.

As regards the allegation of exclusion of some of the workers from the cargo handling scheme, it is pleased that conditions/qualifications for enlisting the workers in the scheme have been provided on the basis of different minutes of discussions held between the parties. One of such conditions is that a person claiming to be enlisted in such scheme must have worked in the Port for a sufficient period prior to 1-11-77. Keeping in view the criteria the list was prepared and finalised limiting the strength of workers to 1700. Further, no alteration or addition of the list could be made in view of the specific direction of the Hon'ble Orissa High Court in two writ petitions, namely, O.J.C. No. 2276 of 1985 and 259 of 1986. To be more specific, the Hon'ble Court has directed that the management shall not enlist any other workers in the main list until the stand-by list in question is exhausted.

Another plea token by the management is that in an earlier industrial dispute Misc. case No. 5 of 1983 between the parties all claims to money and/or benefits of the workmen in connection with their work under the Port Trust have been fully and finally settled by way of compromise as a consequence of which the affected workmen are estopped to raise the present dispute. It is the further case of the management that there is no distinction between the workers placed in the main list and the 'U' list i.e., unlisted workers. It is stated that some workers were taken into cargo handling scheme on the basis of the settlement even though their names did not appear in the main list. For all practical purposes the management has accepted these workers as part of the main list and all facilities and privileges provided to the workers in the main list have been extended to them. Justifying its action in preparing the lists the management has pleaded that as the present affected workers had not worked in the Port for a sufficient period prior to 1-11-77, they are not entitled to be enlisted in any of the lists.

4. In view of the pleadings of the parties, the following issues are settled :—

1. If the reference is maintainable ?
2. If the disputes which have been referred for adjudication are 'Industrial Disputes' within the meaning of the I.D. Act ?
3. If the demands made by Bharatiya Bandar Mazdoor Sangh which are referred for adjudication are bad on the ground that those have become stale ?
4. If all the disputes referred for adjudication have been settled in I.D. Misc. case No. 5/83 before the Presiding Officer, Labour Court, Bhubaneswar ?
5. If the demands made by the workmen as contained in their charter of demand dated 8-6-84 are justified ?
6. To what relief, if any, the workmen are entitled ?

5. At the beginning, I feel it necessary to give a finding on issues Nos. 1 and 2 as to whether the reference is maintainable and whether the disputes referred for adjudication are 'industrial disputes' within the meaning of Section 2(k) of the Act. For arriving at such decision it is pertinent to refer to the claim of the affected workmen. According to them, their claim was not taken into consideration while preparing the list of workers and further the question of seniority was over-looked while enlisting the workers in the main list as well as the stand-by list.

For answering the question as to whether the present case falls within the ambit of the definition of 'industrial dispute', at the outset a finding has to be given as to whether the affected workers are 'workmen' as defined in Section 2(s) of the Act. Though the management in its pleading has taken a stand that there existed no master and servant relationship between the workers and the Paradip Port Trust but it has

not explained away vividly denying such relationship. From the pleadings of the affected workmen it transpires that since many years they had been engaged under different contractors and stevedores for loading and unloading work in the Port.

Section 2(s) of the Act which defines "workmen" does not exclude the workers engaged by the contractors from the purview of the said definition. According to the definition, one is a workman if he is employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward. In *Basti Sugar Mill Vrs. Ram Ujagar*, reported in 1963 (II) L.L.J. at page 447 it was ruled by the Hon'ble Supreme Court that the workers employed by a contractor to remove press mud from the sugar factory were the workmen. In view of this dictum coupled with the pleadings, I am of the opinion that the present affected workers are the workmen and therefore, they are legally entitled to raise the dispute.

6. Now the next question is whether the terms of reference fall within the purview of 'industrial dispute' as defined in the Act. Section 2(k) of the Act which defines 'Industrial Dispute' means any dispute or difference between employers and employees or between employers and workmen, or between workmen and workmen, which is connected with employment or non-unemployment or the terms of employment or with the conditions of labour, of any person. Such dispute comes into existence when the employer and a workman are at variance and the dispute or difference is connected with the employment or non-employment or the terms of employment or conditions of labour.

Here in the present case one of the disputes is connected with refusal of employment of the affected workmen by not enlisting their names in the main list as well as the subsidiary list. The other dispute relates to inter-se-seniority of certain workers which is alleged to have been over-looked by the management while preparing the main list. It is no doubt true that such dispute is not covered by any one of the items enumerated in the second or third schedule but is certainly covered by residuary item No 6 of the second schedule and therefore, the same can be adjudicated upon by this Tribunal. In view of what has been stated above, I hold that the disputes are industrial disputes within the meaning of Section 2(k) of the Act and the reference is maintainable.

7. Now I shall deal with issue No. 4 as to whether the workmen are estopped to raise the present dispute when the same is stated to have been settled amicably in an earlier Misc. case No. 5 of 1984. It is urged on behalf of the management that in the aforesaid case, which was disposed of on compromise, it was agreed upon by the parties that the compromise would set at rest all the claims to money and/or benefits of the workmen in connection with their work under the Paradip Port Trust during the period in issue and therefore, the workmen are estopped to raise the present dispute. I am not prepared to accept such contention in view of the fact that the terms of reference in the present

case were not the subject matter of the Misc. case No. 5 of 1983 which was a case u/s 33-C(2) of the Act. So, the terms of compromise entered into between the parties are binding in so far as the claim for money is concerned. It is no doubt true that there is a clause in the compromise that the parties agreed that the compromise would set at rest all the claims to money and/or benefits to the workmen in connection with their work under the management but it can not be inferred there from that the workman relinquished their right to work which is a subject matter of the present dispute. The terms of compromise on which the management places much importance are only referable to the money claim made by the workmen and the same can not be applied to the present case which is quite different in nature. I, therefore, hold that the present dispute being not the subject matter in the aforesaid Misc. case No. 5 of 1983, the workmen are not estopped to raise the same.

8. Now the next question is whether the demands which are the subject matter of the present reference have become stale. It is submitted on behalf of the management that since the Paradip Port Cargo Handling Workers (Regulation of Employment) Scheme was framed in the year 1979 and the main list as well as the subsidiary list were published in 1980, the present dispute which was raised in 1984 has become stale. According to it, the disputes ought to have been raised within the three years from the date of publication of the list and the same having not been done the decision in the present case if at all goes in favour of the affected workers it would amount to unsettling the settled dispute. Such contention is not sustainable both factually and legally. It is no where the case of the management that the Reserve Pool had actively participated in any discussion which culminated in enlisting the workers in Cargo Handling Scheme. From the evidence it would transpire that the Reserve Pool was kept out of the picture and the management took the decision behind its back and prepared the main as well as the subsidiary list of workers. True it is, Bharatiya Bandar Mazdoor Sangha was not in existence in 1980 but the Reserve Pool, an association of workers being a contractor under the Paradip Port Trust was never consulted although it had furnished the names of workers to be enlisted in the aforesaid scheme. With regard to the question of denial of opportunity to the Reserve Pool to have its say when the management prepared the main list of the workers, I will discuss the same vividly while dealing with the main issue.

9. Coming to issue No. 5, which is the main issue, it is the case of the workmen that names of total number of 156 workers as per Annexure-I & II to the charter of demands marked Ext. 13 have been omitted from the main list as well as the subsidiary list by the management. That apart, the inter-se-seniority of the workers whose names find place in the list has not been maintained. These are the two main grievances of the workmen which are required to be decided on the basis of the evidence available on record.

It is urged on behalf of the management that even if the case of the workmen that their names have

been omitted from the main as well as the subsidiary lists prepared under the Cargo Handling Scheme is accepted but in view of the decision of the Hon'ble Orissa High Court in O.J.C. No. 2276 of 1985 restraining the management from enlisting any other workers in the main list till the stand-by list is exhausted, the names of the affected workmen can not be included in any of the lists. It is further contended that their Lordships of the Hon'ble Supreme Court in the case of Paradip Port Trust Vrs. Paradip Port & Dock Mazdoor Union, reported in J.T. 1990 (I) S.C. 428 have constituted a High Power Committee with Justice H. R. Khanna, (a Retd. Judge of the Supreme Court) and two other members to be nominated from the Government of India to decide the question of listing the unlisted workers in the light of the recommendation of the Abraham Committee report and in accordance with the Cargo Handling Scheme, 1979 and in view of formation of such Committee which is to take a decision for listing the unlisted workers, there is no scope for adjudication of the present dispute.

Controverting the aforesaid submissions, it is argued on behalf of the workmen that in view of the terms of compromise entered between the parties in O.J.C. No. 175 of 1980 the management had noticed the President of the Reserve Pool to submit the list of workers to be enlisted in the Scheme and accordingly lists were submitted. But the management without giving the Reserve Pool, which was espousing the cause of the present affected workers an opportunity of being heard took the decision arbitrarily and finalised the list and therefore, the same can not stand on the way of the workers and affect their interest. The next submission is that in the judgment of the Hon'ble Orissa High Court in O.J.C. No. 2276 of 1985 it is not said that the eligible workers who had worked for a number of years in loading and unloading work at the Port should be kept out of job by not including their names in the Scheme. The question of eligibility for enlisting the names of the affected workmen in the main or subsidiary list was not a point in issue before the Hon'ble Court. That apart, neither the Reserve Pool nor the Bharatiya Bandar Mazdoor Sangha was a party in the aforesaid writ. So, whatever direction given by the Hon'ble Court can not stand as a bar to adjudicate the present dispute and pass Award in favour of the affected workers, if their case is believed.

In view of the aforesaid contentions of the parties, it is to be seen whether the lists of workers prepared under the Scheme is legal and valid and if not whether any direction can be given to the management to include the names of the affected workers, if found eligible.

10. Existence of Reserve Pool at Paradip was very well known to the management. Ext. 12, a notice to the Reserve Pool would indicate that the management had intimated the Reserve Pool to issue employment cards and wage-slips to the workers and display the notices in the office showing rates of wages, date, time and place of payment to the workers. In view of the

terms of compromise entered between the parties in O.J.C. No. 175 of 1980, the management issued notices to different unions and copy to the Reserve Pool and others under Ext. B to submit their lists of workers whose names had been excluded from the Scheme. Accordingly, the Reserve Pool submitted the list of the old workers omitted from the Scheme with a forwarding letter Ext. 10. Subsequent thereto the management under Ext. 11 intimated the Reserve Pool and other unions that the revised list of Cargo Handling workers would be published towards the end of October '80 and physical verification would be taken-up before issuing identity cards. It was stated therein that the exact date of verification would be intimated alongwith the copies of the revised list later on.

It is in the evidence of workmen witness No. 9 that despite submission of the list of workers to be enlisted in the Scheme they were not called for physical verification. The only witness examined on behalf of the management denied to have any knowledge as to what action had been taken by the management on receipt of the list of workers under Ext. 10 from the Reserve Pool. I have already observed earlier that the management was quite aware of the existence of the Reserve Pool, an association of workers which was taking up work as a contractor for loading and unloading at the Port. Ext. 6 would go to show that the Reserve Pool was asked by the management to utilise the labourers who were already at the port and to bring the outside labourers only when the present labour force was found inadequate.

From the discussions made above, it transpires that the Reserve Pool being an association of workers had been engaged as a contractor for loading and unloading at the Port and was noticed by the management to submit the list of workers to be included in the Scheme. But on receipt of the list of workers the management did not intimate the Reserve Pool to produce the workers for physical verification and behind its back the list was published in August '81 as per Ext. C.

I recollect the often quoted maxim *AUDI ALTE-RAM PARTEM* which connotes that no one shall be condemned unheard, the corollary of which is that the person to whose prejudice the order is sought to be passed must be given a reasonable notice of the nature of case to be met. The court's of law have gone to the extent in saying that even when the Statute is silent for affording an opportunity of hearing the law should in a given case make an implication and reply the principle stated by Byles, J that a long course of decision beginning with *D. Bentley's case* (1723) 1 Str 557 and ending with some recent cases, establish that although there are no positive words in the statute requiring that the party shall be heard, yet the justice of the common law will supply omission of the legislature.

In the present case what transpires is that the Reserve Pool though submitted the list of workers whose names have been omitted from the Scheme but it was not given a chance of hearing and to present its workers for physical verification. Behind its back the management prepared and published the list of workers to be added to the main list in 1981 and gave effect to it. This action of the management, in my

opinion, is illegal, arbitrary and against the principle of natural justice.

11. The next question that falls for consideration is whether the list of workers in Annexure-I and II of the charter of demands, marked Ext. 13 should be included in the scheme. One of the criteria for listing the workers as borne out from the proceedings of the meetings of discussion held on 25-3-79 was that a worker must have worked in loading and unloading at the Port prior to 1-11-77. The Reserve Pool, an association of workers, was a contractor at the Port prior to November 1988 which is evident from the letter addressed to it by the management, Ext. 6. It is stated by witness No. 9 for the workmen that in response to the notice for submitting the list of workers, the Reserve Pool filed the list of workers to be included in the main as well as the subsidiary list. The second party-workmen have proved the charter of demands to which the lists of workers to be included in the main as well as the subsidiary list have been attached as Annexure-I and II. Neither the correctness of the aforesaid two annexures has been challenged nor any evidence has been led by the management to the effect that the persons whose names find place therein had not at all worked at the Port. That apart there is positive evidence brought out by the second party-workmen through the mouth of their witness No. 9 that the affected 156 workers had worked as labourers and were issued employment cards by the Reserve Pool.

It is not alternatively submitted by the management that if at all the prayer of the workers regarding inclusion of their names in the list is accepted it should be given an opportunity for making physical verification to find out their eligibility. I also do not feel it wise to leave the matter at the discretion of the management for making selection after physical verification because if it is done the management may take considerable time in doing so and ultimately if it decides not to include any of the workers in the lists then again the workers would approach the Govt. for making another reference to the Tribunal. In the mean time, twelve years have already elapsed. If further time is allowed to the management for making physical verification the matter may take another twelve years to reach its finality and the workers in their life time may not be able to enjoy the fruits of the litigation.

In view of my discussions made above, I hold that those persons whose names find place in Annexure-I and II of the charter of demands, Ext. 13, being the real workers, their names should be included in the lists prepared under the Scheme.

12. Coming to the question as to whether the decision of the Hon'ble Orissa High Court in O.J.C. No. 2276 of 1985 would stand on the way of the workers to claim for inclusion of their names in the lists, I would say that evidence is lacking that either Reserve Pool or Bharatiya Bandar Mazdoor Sangha was a party to the aforesaid writ. The management has not filed the certified copy of the whole of the judgment. Instead, it has filed a portion which has been marked as Ext. E. From paragraph 2 of the aforesaid judgment it transpires that the petitioners whose names had been included in the stand-by list under the Scheme prayed for a direction to the mana-

gement not to include any other persons or outsiders in the main list until the Stand-by list was exhausted. On being conceded by managements counsel to such prayer, the Hon'ble Court directed accordingly not to enlist any other workers in the main list till the stand-by list was exhausted. From the aforesaid observation of the Hon'ble Court it can not be deduced that the eligible workers whose names have been purposefully omitted from the lists prepared under the Scheme have lost their right to claim as workers and for inclusion of their names under the Scheme. The petitioners filed the aforesaid writ apprehending that if the management was allowed to take outsiders and include them in the main list then they might not get work at the Port as because they were in the stand-by list. So, they approached the Hon'ble Court for a direction that the management should not include outsiders in the main list. I, therefore, hold that the aforesaid direction of the Hon'ble Court does not stand on the way of the affected workers to get the relief as claimed for.

In Civil Appeal No. 1422 of 1990 decided by the Hon'ble Supreme Court. Paradip Port Dock Mazdoor Union was one of the respondents. Two of the other unions, namely, Utkal Port & Dock Workers Union and Port Trust Workers Union were subsequently added as parties to have their say as is evident from paragraph 5 of the judgement. The present Bharatiya Bandar Mazdoor Sangha which was espousing the cause of the affected workers was not a party to it. From the aforesaid judgment it would transpire that a High Power Committee consisting of Justice H. R. Khana (a Retd. Judge of the Hon'ble Supreme Court) and two other members to be nominated by the Government of India has been constituted with a view to deciding the question of listing the workers but it was not brought to the notice of the Hon'ble Supreme Court about the existence of 'Bharatiya Bandar Mazdoor Sangha', which was fighting out the case of the present workers. Had it come to the notice of their Lordships that the present workers having worked at the Port for many years have been denied of job and their names have been purposefully omitted from the main list as well as the subsidiary list certain directions might have been given in their favour. Further, their Lordships of the Hon'ble Supreme Court have not directed not to include the eligible workers in the list the decision is arrived at by the High Power Committee. If both the judgments of the Hon'ble Supreme Court as well as Orissa High Court are interpreted in the manner as submitted by the management it would amount to denial of justice to the real workers whose rights have been infringed by the management with oblique motive. That apart, the present affected workers as well as the Bharatiya Bandar Mazdoor Sangha being not parties to the aforesaid two cases the observations/directions therein can not stand on their way to claim the relief.

12. On an appraisal of the evidence, both oral and documentary as discussed above, I am persuaded to hold that 156 workers as per Annexure-I and II of the charter of demands, Ext. 13, are legally entitled to be included in the main as well as subsidiary list prepared under the Scheme and accordingly I direct the management to do so.

13. The next question is as to whether inter-se-seniority of the workers has been maintained by the management while putting them into different gangs.

In the proceedings of the two meetings held between the management and the representatives of the trade unions criteria were fixed for enlisting workers and maintaining their seniority. Clause (C) of the proceedings of the meetings, Ext. 7/1 envisages that as regards priority in enlisting the workers, it was agreed upon by all the unions that priority would be given to the persons who are actually working in the Port at present as per their seniority i.e., the length of their working period in this Port. (Emphasis supplied).

It is the case of the workers that the aforesaid criterion was over-looked by the management while fixing the inter-se-seniority of the workers enlisted in the main list. Evidence of workmen witness Nos. 1 and 2 would indicate that juniors to them have been made seniors and accordingly they have been placed in different gangs. It is stated by W.W. No. 1 that mazdoors listed in gang No. 13 have been provided with residential quarters by the Port management but he being placed in gang No. 140 has been denied of such benefit. To a court question the sole witness examined on behalf of the management admits that the list of workers prepared by the management did not indicate the seniority. In the circumstance, therefore, I am of the opinion that the management has not followed the criterion fixed by the parties mutually to prepare the list and maintain the inter-se-seniority of the workers. I would, therefore, direct the management to correct the list and maintain seniority of the workers on verification of different records and registers of various contractors, stevedores in presence of the trade unions. This shall be done within a period of four months from the date of publication of this Award.

14. Now I shall go into the question of relief, if any, the 156 affected workers are entitled to.

In the first meeting held between the management and different trade unions it was agreed that the minimum number of working days for every labourer to be brought under the list will be around 15/20 days per month. Though there is no direct evidence as to how many days in average per month the workers whose names find place in Annexure-I i.e., the main list attached to the charter of demands, had earlier worked at the Port but in view of my earlier observation that all of them should have been included in the main list. I would infer that they would have worked at least for 15 days per month in average had their names been included in the main list. For no fault of theirs they have been compelled by the management to sit idle for about twelve years. One should realise how much pain they would have taken-up in maintaining them and their family members. Natural justice demands that they should be compensated by the management because it is the management who denied them work for so many years. As regards the workers named in the subsidiary list i.e., Annexure-II to the charter of demands, they are not entitled to any pecuniary benefit because they being in the subsidiary list are to be engaged if the workers in the

main list are found inadequate. Hence, I hold that the management should pay wages for 15 days in average per month to each of the workers named in Annexure-I to the charter of demands, Ext. 13 from 20-8-81, the date on which the management published the fresh list of workers after making verification in compliance to the Hon'ble Court's direction in O.J.C. No. 157 of 1980. The payment of wages shall be made by the management within four months of the publication of the Award.

as well as subsidiary list shall remain effective till the report of the High Power Committee constituted by the Hon'ble Supreme Court for listing the workers reaches its finality.

The reference is answered accordingly. Dictated & corrected by me.  
Dt. 24-01-92.

15. Before conclusion, I would observe that inclusion of the names of the present workers in the main

R. K. DASH, Presiding Officer
